## A2FixIt: Report a problem in a park

If you are out in the parks and see a maintenance or safety issue, [A2FixIt](#) is a mobile app for communicating and reporting to city staff. The app allows you to upload photos with your report. Please take one photo to identify the specific problem and a second to help locate it (zoom out). Photos and specific details will help staff find and address the issue more efficiently.

**Call 9-1-1 for police/fire assistance or more threatening emergencies.**

## Volunteer opportunities

[GIVE 365](#) has a variety of volunteer opportunities to help in our parks such as beautifying landscaping, maintaining playground surfacing, trash pick up, painting projects, becoming a dedicated park adopter and more! Contact 734.794.6445 or [volunteer@a2gov.org](mailto:volunteer@a2gov.org) to learn more and find out what we have coming up.

To get involved in natural areas, land surveys or stewardship projects, contact [Natural Area Preservation](#) at 734.794.6627 or [NAP@a2gov.org](mailto:NAP@a2gov.org).

[Adopt-a-Park](#) is also an avenue for a group of neighbors or a neighborhood association to work together to beautify their nearby park and help keep an eye on things. Through Adopt-a-Park, we work together to advocate for park improvements and work on special projects. Volunteering together is a great way for neighbors to get to know one another and create camaraderie! Email [adopt-a-park@a2gov.org](mailto:adopt-a-park@a2gov.org) or call 734.794.6445 to get involved!
