Assault Investigation (23-22823)

At approximately 3:30am this morning (5/31/23), AAPD received a report that an assault happened around 3:30pm on 5/30/23. A 23-year-old female reported a man unknown to her walked up behind her and grabbed her left hip on the 1700 block of Broadway Street. The victim reported the man then walked away and got into a gray sedan that was parked on the street.

The suspect is described as a white male in his 20s, about 5'6"-5'8", with a full beard and short hair that is brownish/red in color. The suspect was also wearing a blue t-shirt. This suspect description matches the description of the suspect connected to several incidents that occurred in the same time frame on the University of Michigan's North Campus. Those incidents are currently being investigated by the University of Michigan Police Department.
