2000 block of Pauline BLVD. Discovered in the morning hours on 11/16/2023 and occurred sometime overnight after 2200 hours. Vehicle: 2023 KIA Forte. This vehicle was found a short distance from the caller's residence. The ignition was punched. Most likely with a screwdriver.

CR 23-51096

2000 block of Pauline BLVD Vehicle: Discovered in the morning hours on 11/16/2023 and occurred sometime between 11/14/2023 and 11/16/2023. 2019 Hyundai Kona. Vehicle was found with the window broken out. (Attempt only)

CR 23-51084

2000 block of Pauline BLVD Vehicle: 2017 Hyundai Elantra. Discovered in the morning hours on 11/16/2023 and occurred sometime overnight after 2200 hours. Window was broken out and vehicle was taken. A screwdriver was left behind.

CR 23-51082

3000 block of Gettysburg Rd. Vehicle: 2023 Ford F150. Discovered in the morning on 11/16/2023 and occurred sometime overnight after 2030 hours. No sign of damage to the vehicle. The vehicle was possibly started due to the key fob being in close proximity to the vehicle.

CR 23-51079

3000 block of Rumsey Dr. Vehicle: 2014 Honda Accord. Discovered in the morning on 11/16/2023 and occurred sometime overnight after 2000 hours. Similar to the above CR, the vehicle was possibly accessed due to the keys being in close proximity to the vehicle.

CR: 23-51076

2000 block of Georgetown Blvd. Vehicle: 2014 Honda Odyssey. Discovered in the morning on 11/16/2023 and occurred sometime overnight after 1930 hours. The suspects utilized an unlocked vehicle in the driveway, to open the garage door. When the garage door was opened, the suspects entered a mud room of the residence (Home Invasion) and removed the keys to the vehicle.

Anyone with information or who may have Ring or other home-camera video(s) is asked to please contact the Ann Arbor Police Department at the AAPD Tip Line: 734.794.6939; or at tips@a2gov.org. These incidents remain under investigation.
