4-III.B. Selection and HCV Funding Sources Targeted Funding

Previously, the administrative plan policy included language for families who are eligible for the 2017 Non-Elderly Disabled (NED) voucher allocation as households that include one or more disabled person between the age of 18 and 61. The current policy includes non-elderly persons with disabilities who are transitioning out of institutional or other segregated settings, at serious risk of institutionalization, currently experiencing homelessness, or those at risk of experiencing homelessness.

4-III.F. Completing the Application Process

Previously, the administrative plan policy specified that if a family failed to qualify for any criteria that affected their position on the waiting list, the family would be returned to its original position on the waiting list. The current policy includes added language that if a family fails to qualify for the criteria that made them eligible to apply to the waiting list, the family will be removed from the waiting list.

11-II.C. Reexaminations Changes Affecting Income or Expenses

Previously, the administrative plan policy stated that PHA-Initiated interim reexamination would only be conducted for participants who have zero income, received the earned income disallowance, and participants of the family self-sufficiency program. The current policy states that the PHA will also conduct interim reexamination for any new sources of income and any increases of income that annually equals or exceeds \$4,800.

16-III.C. Informal Hearings for Participants

Previously, the administrative plan policy specified that a participant whose family failed to appear may reschedule an informal hearing if the family showed good cause for failure to appear. The family must contact the PHA within 24 hours of the scheduled hearing date. The current policy adds language that the PHA will limit rescheduled hearing to two (2) and terminate the family after the 3rd failure to appear for hearing.

16-IV.B. Program Administration Repayment Policy

Previously, the administrative plan states that the PHA may approve a temporary deferral of monthly payments for up to three months, for families who experience a hardship. The current policy adds language that the PHA will adjust monthly payments due to hardships. In addition, the PHA may redetermine the monthly payment as a result of increases or decreases in income or if the family violates the term of the repayment agreement.

19-III. C. Family Self-Sufficiency Contract of Participation Employment Obligation

Previously, the administrative plan policy said that suitable employment is defined as earned income that is equal to or exceeds the minimum wage times 2080 hours and required participants to maintain this level of income for three (3) months, prior to graduation. The AAHC is proposing to define suitable employment as “A determination of suitable employment shall be made by the PHA based on the skills, education, and job training of the individual that has been designated the head of the FSS family, and based on the available job opportunities within the jurisdiction served by the PHA.”

In addition, AAHC added a definition a definition of “baseline” income and the treatment of baseline income at enrollment. Homeownership is listed as a FSS activity; AAHC added language to clarify that Homeownership families are not allowed to participate in FSS. However, if a FSS participant identifies homeownership as a goal, the family must be exited (graduated) from the FSS program once the home is purchased. AAHC amended the language for the Individual Training and Service Plan (ITSP); it is now consistent with the Contract of Participation. Lastly, the section that discussed Completion of the Contract was amended and is now consistent with 24 CFR 984.303.

The Turnkey III program no longer exists and the AAHC will convert this property to public housing and follow the HUD disposition process to then remove it from public housing. The property will be retained by the AAHC by transferring ownership to the Ann Arbor Housing Development Corporation, a wholly owned non-profit subsidiary of the AAHC. The existing tenant may continue to live at the property with a tenant protection voucher or move with a tenant based voucher. If there are any proceeds from the transfer of the property, the proceeds will be used to support the AAHC housing and voucher operations.

Section B.5 Progress Report

Please see the 4 goals from FY 15 – FY 19 Plan with a progress report for each goal

- 1) Complete Redevelopment of all public housing units to Project Based Vouchers through the Rental Assistance Demonstration (RAD) project

The AAHC has been approved by HUD to redevelop all of its public housing to project-based vouchers under the RAD program. Phase 1, 2, 3 & 5 are completed. Phase 4 has closed on financing and is under construction. Construction of Phase 4 projected completion date is December 31, 2020.

- 2) Develop new affordable housing:
