AGREEMENT

This Agreement (the "Agreement") is effective as of the 1st day of July, 2013, between the Ann Arbor-Ypsilanti SmartZone Local Development Finance Authority (hereinafter referred to as the "LDFA"), whose address is Municipal Center, City Hall, 301 E. Huron Street, Ann Arbor, MI 48104, and Ann Arbor SPARK (hereinafter referred to as the "Contractor"), whose address is 201 South Division, Ann Arbor, MI 48104. As used herein, the LDFA and the Contractor are sometimes collectively referred to as the "Parties."

Article I - Purpose

1.1 The purpose of this Agreement is to engage the Contractor to perform work in support of the Ann Arbor-Ypsilanti SmartZone, as described in the Scope of Work attached hereto as Attachment A and incorporated herein by this reference (hereinafter referred to as the "Scope of Work"). The Scope of Work may be amended and/or supplemented by mutual agreement of the Parties, with such amendments or supplements to be included as separate Attachments.

Article II - Term and Funding

- 2.1 This Agreement covers the period July 1, 2013 -June 30, 2014 (hereinafter referred to as the "Project Service Term") plus an additional 60 days for provision of the report required by Section 3.3 (collectively hereinafter referred to as the "Contract Term").
- 2.2 The fees to be paid Contractor and the terms of payment are detailed more specifically in Attachment A and subsequent Attachments if any. Payment of any amount scheduled to be made other than at the outset of a work assignment shall be conditioned upon Contractor's prior submission of any report, and successful performance by Contractor of any work, required to be completed prior to the time said payment is scheduled to be made.
- 2.3 Contractor may reallocate fees set forth in Attachment A between categories within the Scope of Work, which allocations cumulatively shall not exceed five percent (5%) of total fees detailed in the Scope of Work for the Project Service Team, except fees that are set forth in Attachment A for Phase IV and microloans shall in no event be increased without the prior approval of LDFA. Budget amounts may be decreased without limitations, subject to review by LDFA of the consistency of such decreases with the achievement of contract objectives.
- 2.4 The Contractor shall be responsible for any cost overruns. No funds will be payable by the LDFA in respect of any costs additional to the costs detailed in the Scope of Work (other than in respect of costs reallocated pursuant to the provisions of Section 2.3), unless the written approval of the LDFA has been secured in advance.
- 2.5 This Agreement does not obligate or commit the LDFA to approve requests for additional funds during or beyond the Project Service Term.

Article III - Scope of Work and Compliance Activities

3.1 The Contractor shall complete its work in accordance with the Scope of Work.

These summaries shall contain financial information sufficient to assure that LDFA funds are used only in connection with the Scope of Work. These reports shall include but not be limited to the following: 1) the number of companies/entrepreneurs screened in Phase I; 2) the number and identity of companies **by unique number** or entrepreneurs in Phase II; 3) the companies that receive Phase III engagements and the number of full time equivalent employees in each company; and 4) the companies that receive Phase IV assistance, description of assistance, number of full time equivalent employees and projected new employees. Phase I, Phase II, Phase III and Phase IV engagements are detailed in Attachment A. The report should also include microloan information that identifies the number of applicants, all approved applicants, the amount requested, amount approved, jobs retained and created during the term of the loan, use of loan proceeds, loan maturity date, and aggregate amount of loans repaid and written off. In addition, quarterly reports should include information on the talent programs.

3.3 The Contractor shall provide a written Final Program Progress Report to the LDFA no later than sixty (60) days after the end of the Project Service Term. The Final Program Progress Report shall disclose: 1) a census of the annual and cumulative number of jobs created within the Service Area (as defined in Attachment A) as of June 30, 2014 (with 'jobs created' defined as the incremental increase in the number of Full Time Equivalent employees (FTEs) beginning with the date a Business Accelerator proposal is signed, or a loan is provided, or when a SPARK Central Incubator agreement is first executed, or when participation in a Boot Camp session occurs); 2) a census of the annual and cumulative number of jobs related to Business Accelerator, SPARK Central Incubator, and Boot Camp attendees that have left the Service Area because of relocation, merger, acquisition, or business failure as of June 30, 2014; 3) a census of the number and identity of current and past clients the Contractor deems no longer eligible for LDFA funded services as of June 30, 2014; and 4) a census of the number and identity of clients for which information regarding job creation is no longer being collected as of June 30, 2014. The Contractor shall track companies for a period of five years through an annual survey and make efforts to achieve as high a participation rate as possible. The survey will not only include questions that update standard economic development data but also ask companies who leave the area why.

3.4 The LDFA may require the Contractor to produce receipts for cost(s) incurred and/or itemized accounts of expenditure. If the Contractor is required to produce receipts for cost(s) incurred, then this should take the form of receipted invoices. If the Contractor is required to produce an itemized account of expenditure, this should take the form of a printed list of each item of expenditure and the costs incurred, certified as an accurate record by a duly authorized representative of Contractor. The LDFA may, on a sample basis, seek further verification of individual transactions, in the form of a receipted invoice or equivalent evidence for that transaction. The LDFA may have the records of Contractor which pertain to the Scope of Work reviewed or audited by an independent party. The cost of such review or audit shall be borne by the LDFA.

3.5 Contractor shall: maintain insurance adequate and reasonable to support its services under this Agreement, and as may otherwise be required by applicable federal, national, state and local laws and regulations; name LDFA as an additional insured on such policies; and provide LDFA a certificate of insurance, evidencing the foregoing upon execution of this Agreement and from time to time as LDFA may request.

The foregoing license shall not include the right to sublicense except as otherwise provided in this Agreement and any Attachment. The foregoing license shall be co-terminus with the Project Service Term.

3.6.c In order that the LDFA may protect its rights in the New Inventions, Contractor agrees to promptly disclose to the LDFA all New Inventions. Contractor will make adequate written records of all New Inventions, which records shall be LDFA's property; and, both during and

- 3.6.d Contractor grants LDFA an irrevocable, perpetual, non-exclusive, paid-up, royalty-free, worldwide, transferable license to make, use, sell, offer for sale, import, copy, distribute, modify, perform and display any ideas, inventions, discoveries or other intellectual property, and all improvements thereto and compilations and derivative works thereof, owned by Contractor to the extent required by the LDFA to exploit the deliverables or other work product provided as part of the Scope of Work or to fulfill the requirements of the Scope of Work or otherwise for purposes consistent with the TIF Plan.
- 3.6.e Contractor hereby represents and warrants to LDFA that any employees performing services under the Scope of Work are obligated under the terms of their employment to transfer all right, title and interest in New Inventions to Contractor and that such employees will have no title, right or interest whether legal or beneficial in any New Inventions. Additionally, if Contractor hires subcontractors to provide services within the Scope of Work and such subcontractors receive a monetary fee for such services (other than non-material stipends), Contractor will ensure that under the terms of engagement of such subcontractors, all intellectual property rights in "Educational Materials" (as hereafter defined) arising out of or relating to the work done by such subcontractors will vest or will be caused to vest in the Contractor, and in turn in LDFA, as a New Invention, and that such subcontractors will have no right, title or interest, whether legal or beneficial, in any such intellectual property. If the default is not cured within 30 days of such notice, the LDFA can suspend or restrict any or all payments under this Agreement and shall notify Contractor of the same. Once notice has been sent to Contractor, Contractor agrees that it will not incur any further costs within the Scope of Work until notified in writing by the LDFA that the suspension or restriction has been terminated; provided however, that LDFA will allow funding under this Agreement for all necessary and proper costs within the Scope of Work which could not reasonably be avoided during the period of any suspension or restriction.

7.6 The Contractor shall not assign, transfer, convey or otherwise dispose of any duties or rights under this Agreement without the prior specific written consent of the LDFA; provided, however, that this sentence shall not be construed to prevent Contractor from engaging subcontractors to perform its obligations under this Contract as contemplated hereby. Scope of Work

Contractor acknowledges the dual purpose and objective of the Business Accelerator and all related services, programs, and events is to promote local job creation among technology-based entrepreneurial and newly formed companies, and to expand the tax base within the geographic boundaries served by the LDFA. The "Service Area" is defined as the city limits of Ann Arbor, Michigan and Ypsilanti, Michigan, however direct expenditure of funds by the LDFA shall be limited to the geographic boundaries of the Ann Arbor portion of the LDFA, except where permitted per particular use identified in some activities in this Scope of Work. Client firms having their principal place of business outside the Service Area are not eligible recipients of LDFA funded services or loans. For very early stage companies where the principal place of business has not been established or is undeterminable, the requirement to locate the principal place of business within the Service Area can temporarily be satisfied by the client becoming a member of the SPARK Central Business Incubator.

For the period July 1, 2013 through June 30, 2014, Contractor shall provide the following services on the following terms:

1 Direct Services

1.1 Business Accelerator Services.

It is anticipated that 100% of the activities of Phase I (see 1.1.2 below), approximately 25% of the activities of Phase II (see 1.1.3 below), and 100% executive talent recruiting activities will be conducted by Contractor staff resources. The annual fee shall be \$400,000, paid in 12 equal monthly payments.

This includes but is not limited to: (a) review/screen for general programmatic fit, (b) solicit reviews from advisors/consultants for high level reaction, (c) referral to Phase II or other programs or outside resources. Phase I activities shall be conducted by Contractor staff as indicated in Section 1.1.1.

1.1.3 Phase II. Phase II is defined as more in-depth evaluation of prospective client firms to determine if the business is capable and/or ready for substantial Contractor consulting assistance in Phase III. This includes but is not limited to: (a) Contractor review for qualification of opportunity

attractiveness, (b) opportunity and issue assessment, (c) scope of engagement for Phase III, (d) feedback to client from assessment, and (e) identification of criteria required for reconsideration. This Phase II is expected to take less than 10 hours of consulting time per client, and it is expected that Contractor will outsource approximately 75% of all Phase II activities to qualified subcontractors. The maximum fee for subcontractor activity shall be \$25,000. These monies shall not be utilized for any other purpose within or outside of the Contractor. Contractor and client for whom Phase II services are performed shall sign a statement of understanding acknowledging:

- (i) That the engagement is non-exclusive, and Contractor is free to provide similar services to other clients, and client is free to obtain similar services from another provider at client's own expense;
- (ii) LDFA may audit the services provided to client, any agreement regarding confidentiality notwithstanding;
- (iii) Client has been informed of Contractor's conflict of interest policies; and
- (iv) If client moves out of the Service Area within one year of receiving Phase III services and support, client shall repay immediately the cost of those services.

1.1.4 Phase III. Phase III is defined as substantial Contractor involvement for business development to advance client firms beyond the startup phase to the seed and growth stages. This includes but is not limited to: (a) development or refinement of a plan, schedule, and budget for achievement of high value milestone(s), (b) addressing a strategic issue, (c) implementation of a milestone plan, (d) advancing the client on 1-3 strategic fronts, (e) development of an extended plan at the end of the engagement. Contractor will outsource 100% of all Phase III activities to qualified subcontractors and vendors. Phase III services eligible for reimbursement by the LDFA may include:

- Business plan, operational consulting, and business development assistance;
- Patent, licensing, and intellectual property rights consulting and legal review;
- Talent and recruitment assistance;
- Identification and development of bank, angel, venture capital, seed, pre-seed, customer, governmental, or private grant funding sources.

1.1.5 Approval of engagements with accumulated expenditures exceeding ten thousand dollars (\$10,000) will be made by a committee established by Contractor and acceptable to the LDFA and comprised of experienced entrepreneurs, technology business leaders, and investors, at least one of which will be a current LDFA Board member.

- 1.1.6 The maximum fee for Phase III subcontractor activity shall be \$500,000.
- 1.1.7 Phase IV. Phase IV is defined as accelerating opportunities for second stage companies in the seed and growth stages. These companies are further defined as having revenue but not yet bankable, having fewer than 25 employees and hiring more within the next six months, and increasing sales. Purpose of this opportunistic support is to provide accelerator assistance for technology companies who are established but need support for growth that is not yet fundable. Contributor will outsource 100% of all Phase IV activities to qualified subcontractors and vendors. Services eligible for reimbursement by the LDFA may include but not limited to:
- Marketing and business development assistance;
 - Product development and scaling manufacturing;
 - Relocation and recruitment assistance
- 1.1.8 Approval of assistance will be made by a committee established by Contractor and acceptable to the LDFA and comprised of experienced entrepreneurs, technology business leaders, and economic development professionals, at least one of which will be a current LDFA Board member. Assistance amounts will range between \$5,000 and \$25,000. Contractor will provide the LDFA on a quarterly basis at the first LDFA board meeting following the end of each calendar quarter a report that identifies all approved applicants, amount approved, jobs retained and created during the term of the grant or loan, and use of fund proceeds.
- 1.1.9 The maximum fee for Phase IV opportunities shall be \$75,000.
- 1.1.10 Business Accelerator Services. Contractor shall maintain accurate, complete, and contemporaneous records of services performed, identification of the service recipient or business purpose, location of the service recipient's principal place of business, date and duration of services, and the individual performing services on behalf of the Contractor. This detail need not be included on monthly invoices, provided each invoice bears a legend certifying the invoice conforms to the terms of the Agreement and all Attachments, is subject to audit and verification, and is signed and dated by Contractor's President and CEO, Vice President, or Director/Manager, Business Accelerator Services. Invoices for work performed shall be submitted no sooner than five (5) and no more than fifteen (15) business days following the end of the monthly billing cycle. Upon receipt of an invoice, LDFA shall determine within three (3) business days if the submission is sufficient to authorize payment, or if the submission needs further detail consistent with this Agreement.
- 1.2 Micro Loan Fund - Contractor will administer a micro loan fund approved by the LDFA from time to time. This fund will be used solely to make interest-bearing, non-recourse, subordinated loans to start-up and early stage growth companies to use for operations and other activities not provided under a Business Accelerator Phase III engagement. Loan approval will be made by a committee

Loans will not be provided to companies capable of receiving commercial bank loans. Loan amounts will range between \$5,000 and \$50,000. Such loan repayments will be additive to the fund size. No additional micro loan funds shall be provided by LDFA during this Project Service Term. All micro loan funds shall be maintained in a segregated bank account and shall not be commingled with other funds.
- 1.2.2 Termination or Cancellation – In furtherance and not in limitation of the provisions of Section 6.2 of the Agreement, LDFA may terminate Contractor’s administration of the micro loan fund program at any time upon written notice to Contractor. In the event of any such termination by LDFA, Contractor shall promptly return to LDFA any funds on deposit in the micro loan fund bank account and subsequently deposited into such account upon repayment of a micro loan, and upon LDFA’s request shall cooperate with LDFA to transition the micro loan fund program to LDFA or its designee.

1.3 Entrepreneurs Boot Camp

- 1.3.1 Contractor shall develop curriculum and organize a professional panel of qualified experts sufficient to conduct two intensive multi-day workshops for early stage entrepreneurs (“Boot Camp sessions”). Attendance at each of these Boot Camp sessions shall be limited to representatives of no more than 15 firms and no fewer than 10 firms.
