TELEVISED ON ANN ARBOR COMMUNITY TELEVISION NETWORK CHANNEL 16

LIVE: Tuesday June 16, 2009 at 4:00 P.M.

****Persons with disabilities are encouraged to participate. Accommodations, including sign language interpreters, may be arranged by contacting the City Clerk's Office at 994-2700 (V/TDD) at least 24 hours in advance.****

DRAFT

**CITY OF ANN ARBOR – PARKS ADVISORY COMMISSION
MEETING MINUTES
May 19, 2009**

The regular meeting of the Park Advisory Commission was held on Tuesday, May 19, 2009 at 4:00 p.m. in the Washtenaw County Administrative Building, Public meeting Room, 220 N. Main St. Ann Arbor, Michigan.

I. The meeting was called to order at 4:05p.m. by Chair, L. Berauer.

II. Roll Call:

Members Present: (9) L. Berauer, B. Macomber, D. Barrett, J. Lawter, S. Rosencrans, T. Berla, S. Offen, J. Grand, G. Nystuen

Ex-Officio Members Present: (2) C. Taylor, M. Anglin

Ex- Officio Members Absent: (0) None.

Members Absent: (0) None.

Staff Present: (6) C. Smith, J. Straw, A. Kuras, M Naud, C. Saam, L. Bowen

Guest(s) (17) Numerous speakers spoke on the Argo Dam issue

APPROVAL OF AGENDA – Commissioner Berauer stated the agenda would stand approved.

PUBLIC COMMENTARY - AGENDA ITEMS (3 Minutes per Speaker)

John Satarino spoke on the Argo Dam issue.

Cedric Richner spoke on the Argo Dam issue.

Peter Washabaugh spoke on the Argo Dam issue.

Donald Gray spoke on the Argo Dam issue.

Rich Griffith spoke on the Argo Dam issue.

John Russell spoke on the Argo Dam issue.

Michele Macke spoke on the Argo Dam issue.

Laura Rubin spoke on the Argo Dam issue.

52 **Sarah Rampton** spoke on the Argo Dam issue.

53
54 **Russ Miller** spoke on the Argo Dam issue.

55
56 **Mark Breeding** spoke on the Argo Dam issue.

57
58 **Michael Anthony** spoke on the Argo Dam issue and asked if the Argo Dam was built to
59 provide power. M. Anthony also suggested that the Energy Commission be contacted to
60 discuss this issue as well as Homeland Security for possible funding.

61
62 **M. Naud** stated when the Dams were purchased in the 1960's there was not any power
63 being generated.

64
65 **Paul Coosins** spoke on the Argo Dam issue; P. Coosins is a resident of Dexter, MI and
66 wanted to share the experience of removing their Dam with the Commission.

67
68 **Lisa Psarathakis** spoke on the Argo Dam issue.

69
70 **Kurt Hagemeister** spoke on the Argo Dam issue.

71
72 **A - APPROVAL OF MINUTES**

73
74 **A-1 Commissioner Macomber** moved; supported by **Commissioner Rosencrans** to
75 approve the minutes of the April 21, 2009 meeting with noted corrections on page 8,
76 line 397. The minutes of April 21, 2009 were approved unanimously.

77
78 **SPECIAL PRESENTATIONS**

79
80 **PUBLIC HEARINGS – (3 Minutes per Speaker)**

81
82 **B - UNFINISHED BUSINESS**

83
84 **B-1** PAC Resolution to approve revised by-laws

85
86 **L. Berauer** explained that PAC needs a formal resolution approving the
87 changes to the bylaws before they go to Council for review and approval.
88 She asked the Commission to vote on the resolution to approve of the revised
89 by-laws.

90
91 *On a voice vote **Motion Approved unanimously** to approve the revised*
92 *by-laws.*

93
94 **C - NEW BUSINESS**

95
96 **C-1** Resolution to Approve a Partnership Agreement with Community
97 Action Network for Operation of Bryant and Northside Community Centers

98
99 **J. Straw** explained the details of the proposed agreement between the City of
100 Ann Arbor and the Community Action Network.

101
102

103 **J. Straw** read the resolution to the Commissioners.

104
105 On a voice vote **Motion Approved** *unanimously* that City Council approve the
106 proposed agreement between the City of Ann Arbor and the Community
107 Action Network.

108
109 **C-2** Capital Projects Update – Veterans Memorial Ice Arena & Buhr Park Ice Arena

110
111 **A. Kuras** gave a detailed update on upcoming projects to the Commission.

112
113 **B. Macomber** asked if the projects were existing ones

114
115 **C. Smith** stated the Vets project was an existing project from the old capital
116 millage and the Buhr repairs were emergency/unanticipated.

117
118 **S. Rosencrans** asked if the repairs regarding the ice rink at Buhr Park were
119 from normal wear and tear.

120
121 **A. Kuras** stated yes.

122
123 **C-3** Huron River Impoundment Management Plan

124
125 **L. Berauer** stated this issue is very important and does not want the
126 Commission to feel pressured to make a decision today. If further
127 deliberations are needed we can schedule a work session in conjunction with
128 our Land Acquisition Committee meeting the following week. .

129
130 **S. Offen** asked M. Naud to comment on the Homeland Security issues.

131
132 **M. Naud** provided information regarding potential federal funding.

133
134 **C. Saam & A Kuras** spoke on the Argo Dam issue and the potential impact of
135 relocating Argo livery operations.

136
137 **S. Rosencrans** asked C. Saam about the success of the Argo Livery.

138
139 **C. Saam** shared information regarding usage and financials of the Livery.

140
141 **L. Berauer** asked D. Barrett and G. Nystuen to summarize the resolution they
142 prepared recommending that Argo Dam not be removed.

143
144 **D. Barrett** summarized the proposed resolution (shown in full starting at line 340) to
145 the Commission

146
147 **L. Berauer** asked S. Rosencrans and B. Macomber to summarize the resolution
148 recommending that Argo Dam be removed.

149
150 **S. Rosencrans** summarized the proposed resolution (**shown in full below**) to the
151 Commission.

Whereas, the Huron River Impoundment Management Project Committee of the Environmental Commission (HRIMP) has developed recommendations for the stewardship of the Huron River in the Ann Arbor area that affect Parks and Recreation facilities and Natural Areas and,

Whereas, HRIMP did not provide a specific recommendation for the future disposition of Argo Dam which has been deemed by the Michigan Department of Environmental Quality to be damaged and in need of repair or removal and,

Whereas, the Park Advisory Commission concurs with the findings of the HRIMP report in every other respect and,

Whereas, Argo Dam’s current sole purpose is to create an impoundment for recreational activities and,

Whereas, the removal of Argo dam would improve the natural habitat, biology, and overall ecology of a stretch of the river system in Ann Arbor and,

Whereas, the removal of Argo Dam would require the relocation of the rowing community constituency but would enhance the recreational activities of a greater number of other facilities users who desire a flowing riverine environment rich with a greater number of aquatic and avian species and,

Whereas, the three other impoundments within the system are able to satisfy the needs for recreation of those users who desire flat, slow moving water and a pond-like setting and,

Whereas, the rowing community of organized teams that represent area High Schools, a community based club, and the men’s Crew team from the University of Michigan, which includes approximately six hundred participants, has established facilities on the shore of Argo Pond and would need to be relocated to new, suitable facilities on other impoundments in order to remain a viable presence in Ann Arbor and,

Whereas, the Park Advisory Commission believes, as a whole, that the rowing community is an important asset to the city because it provides a self funded opportunity for participation in a healthy activity that is the most popular sport at all of the area’s High Schools and includes all interested applicants and,

Whereas, Argo Pond is difficult for non-rowers to use when the rowing crews are practicing or racing due to marine right of way rules giving the rowers the right of way through the majority of the non weed infested waters on the pond, and

Whereas the rowing clubs have multiple boats that require megaphone use for coaching, the sound of which carries across the Pond and into surrounding neighborhoods, and

205 Whereas the rowing clubs use gasoline motored launches to coach crew boats which are known to
206 regularly violate the "no wake" impoundment rule and,
207

208 Whereas, the Park Advisory Commission believes that it is possible with careful
209 investigation, cooperation, and diplomacy to find suitable locations for the establishment of
210 rowing facilities at other impoundments within the city's purview to meet the needs of the
211 rowing community and,
212

213 Whereas, the projected costs over twenty years for the activities and consequences for
214 either removing Argo Dam or repairing it in place are similar and,
215

216 Whereas, the use of funds to remove the dam represent a one-time investment and the use
217 of estimated funds to repair the dam does not include the replacement of said dam due to
218 the finite nature of the length of life for any dam and,
219

220 Whereas City staff have proposed the creation of a canoe livery just below Barton Dam which would
221 create a longer river trip between it and the Gallup livery. Such trips are very popular and are one of
222 the few current sources of financial break-even park activities currently offered by the City and,
223

224 Whereas the new river stretch would be faster water with intermittent gentle rapids and would likely
225 draw boaters looking for white water opportunities from near and far to downtown Ann Arbor and,
226

227 Whereas a further parks consideration is the potential to create an affordable and safe railroad crossing at
228 the northern end of Bandemer Park thus greatly enhancing the safety and accessibility of
229

230 biking and walking trails between the City and Skyline High School, Bird Hills Nature Area, Barton
231 Park, and the Border to Border Trail and,
232

233 Whereas currently it is estimated it would cost several million dollars to build an underpass under the
234 tracks between Bandemer Park and Huron River Drive. But if the dam were removed it is possible
235 that the river level would drop enough to allow for a walkway under the railroad trestle similar to the
236 walkway under the trestle just below Barton Dam.
237

238 Such a walkway would likely be significantly less expensive than an underpass and therefore more
239 affordable in the near future to build. Particularly as Skyline attendance ramps up, a safer pedestrian
240 path to negotiate the railroad tracks is highly desirable and should be created as soon as possible and,
241

242 Whereas, it has been pointed out by both the Huron River Watershed Council and the County Water
243 Resources Commissioner, that removing the dam will create a longer stretch of fast water river. This
244 provides for natural control and remediation of sediment, weeds and algae, and run-off pollutants
245 such as phosphorous. It will also create a cooler water habitat thus providing an environment for a
246 wider range of healthier fish and animals. Further, according to the Water Resources Commissioner,
247 it is expected that dam removal will create substantial floodplain and stream buffer which can provide
248 flood storage and protect water quality.
249

250 Resolved, that the Park Advisory Commission recommends that a targeted study be done of the
251 Bandemer Park to Huron River Drive railroad crossing study to identify whether dam removal would
252 allow a walkway under the adjacent trestle and whether this would be less expensive than the
253 underpass which was recently proposed by a consultant's study and,
254
255

256 Resolved that the Park Advisory Commission recommends that as long as there are rowing clubs
 257 using impoundments within the city's purview for their activities that the new River Stewardship
 258 Committee, as proposed in the HRIMP recommendations, formulate an appropriate fee structure,
 259 shared use plan and schedule, and set a deadline for all megaphone use to be phased out. Such a
 260 body should also work to formulate a coaching strategy that will not entail violations of the "no
 261 wake" impoundment rule and,

262
 263 Resolved, that the Park Advisory Commission recommends the removal of Argo Dam
 264 because of the potential for improvement of the recreational and natural environment in the
 265 area affected by the existence of said facility and,

266
 267 Resolved, that the Park Advisory Commission recommends that Argo Dam be removed in
 268 order to enhance the number of aquatic and avian species that would enrich the
 269 environment and for whom the removal of the dam would create a more sustainable habitat
 270 and,

271
 272 Resolved, that the Park Advisory Commission believes that there is adequate remedy to
 273 those parties for whom the removal of the dam would create inconvenience or a change of
 274 location and,

275
 276 Resolved that the Park Advisory Commission recommends the immediate commencement
 277 of an investigation to determine adequate new locations for the establishment of rowing
 278 facilities on other impoundments that are of an equal nature to the existing facilities on Argo
 279 Pond and that such facilities be operational before the removal of Argo Dam.

280
 281 **L. Berauer** asked commissioners to share their recommendations as to whether or
 282 not Argo Dam should be removed with the commission. All 9 members proceeded
 283 to do so.

284
 285 **J. Grand** moved the Commission vote on the Resolution presented by D. Barrett
 286 and G. Nystuen supported by J. Lawter.

287
 288 **B. Macomber** suggested friendly amendments ([seen below](#)) be included in
 289 the final Resolution.

290
 291 Whereas, Argo Pond is difficult for non-rowers to use when the rowing crews
 292 are practicing or racing due to marine right of way rules giving the rowers the
 293 right of way through the majority of the non weed infested waters on the pond,
 294 and

295
 296 Whereas the rowing clubs have multiple boats that require megaphone use
 297 for coaching, the sound of which carries across the Pond and into surrounding
 298 neighborhoods, and

299
 300 Whereas the rowing clubs use gasoline motored launches to coach crew boats
 301 which are known to regularly violate the "no wake" impoundment rule and,

302
 303
 304
 305

Resolved that the Park Advisory Commission recommends that as long as there are rowing clubs using impoundments within the city’s purview for their activities that the new River Stewardship Committee, as proposed in the HRIMP recommendations, formulate an appropriate fee structure, shared use plan and schedule, and set a deadline for all megaphone use to be phased out. Such a body should also work to formulate a coaching strategy that will not entail violations of the "no wake" impoundment rule

It was moved and supported to accept the friendly amendments to be included in the final resolution.

L. Berauer asked the Commission to vote on the suggested friendly amendments.

Ayes: (9) L. Berauer, T. Berla, S. Offen, J. Grand, J. Lawter, D. Barrett, S. Rosencrans, B. Macomber G. Nystuen

Nays: (0) None

Absent: (0) None

On a voice vote – Motion Passed for the suggested amendments to be added to the proposed Resolution

There was detailed discussion among the Park Advisory Commission members regarding the value of providing a minority opinion to Council as the vote was so close and the issue is so sensitive. The Park Advisory Commission members were in agreement on providing Council a minority report.

C. Taylor stated it is a good idea to communicate the minority opinion and that it would be helpful for Council to receive this.

L. Berauer asked the Commission to vote on the Resolution to keep the Argo Dam in with the suggested amendments

**PARK ADVISORY COMMISSION
RESOLUTION ON THE REPORT AND RECOMMENDATIONS OF THE
HURON RIVER IMPOUNDMENT MANAGEMENT PLAN**

WHEREAS, the Huron River Impoundment Management Plan (HRIMP) Committee has produced a report with recommendations on the management of the four dams owned by the city on the Huron River, and

WHEREAS, the Park Advisory Commission (PAC) supports many of the recommendations, and

353 WHEREAS, the hearings and communications since the April release of the HRIMP report have
354 produced additional information and options for the repair of the headrace and earthen
355 embankment below Argo dam that offer the potential of the least expensive course of action to
356 meet the immediate requirements of the state¹ as well as improvements in the access to
357 pathways and use by canoes and kayaks while continuing the other water recreational uses,
358 including the four rowing teams, and

359 WHEREAS, the implementation of the HRIMP recommendations will require significant
360 additional staff and capital expenditure from Parks & Recreation, Parks Operations, and Natural
361 Area Preservation that are not reflected in the budgets to be adopted for 2010 and 2011, and

362 WHEREAS, the HRIMP report recommends two courses of action with regard to Argo dam, 1)
363 remove Argo dam, or 2) leave the dam and Argo Pond as is, but make necessary repairs to the
364 headrace and embankment² by using the hybrid solution without the whitewater component, and

365 WHEREAS, either of the two courses will require substantial funding and time for completion in
366 a period of extreme financial pressure from the national, state and local recession that is
367 projected to result in a General Fund deficit of approximately 8 million or 10% of the General
368 Fund for FY10 and FY11 combined, and will require significant cuts to City services in all areas
369 through at least 2010 and 2011, and

370 WHEREAS, "Argo dam is not failing. The structure with the gates is in very good shape and is
371 well maintained. The MDEQ office of dam safety wants us to repair old toe drains along the
372 millrace embankment. Those drains are not working properly but there is no sign of any failure
373 there either. We inspect the dam regularly and have contingency plans in place if any issues are
374 identified." (M. Naud 5-19-2009)

375 WHEREAS, there are alternate solutions for repair and management of the headrace and
376 embankment that leave Argo dam and Argo Pond in their current state as the main element of
377 the most central regional city park, and second most popular park in the city with its open water
378 and view of the river valley, a major entry to the city, with a board walk, pathways, newly
379 completed Bandemer Park with disc golf, picnicking, parking and boating facilities, and

380 WHEREAS, the alternate solutions maintain the option of restoring hydroelectric power
381 generation from Argo Dam in the future when it may again be economically feasible and
382 needed, and

383 WHEREAS, the restoration of the of the middle section of the Huron to a river ecosystem
384 through the City of Ann Arbor is a desirable long term goal, it will require that all four dams be
385 removed, a scenario that is not currently feasible³, and

386 WHEREAS, the removal of Argo dam impoundment that is less than 2 miles from Barton dam
387 and therefore cannot be expected to produce a significant improvement in water quality and
388 biological diversity that would offset the loss of Argo pond, the central park feature for the
389 Downtown and west side of Ann Arbor, and

390 WHEREAS, the current use of Argo pond services four successful rowing programs,
391 A2 Pioneer High, Huron High, AARC & the University of Michigan, programs that have thrived
392 on Argo Pond, their preferred and optimal water space, and

393 WHEREAS, the city of Ann Arbor recently spent over \$300k to develop Bandemere Park and
394 customizing it to accommodate rowing, and

395

396

397 WHEREAS, alternate locations to provide for the rowing community as promised in the HRIMP
 398 report face difficult and likely lengthy negotiations and expenses, particularly Barton where there
 399 are legal and site issues, and

400 **WHEREAS, Argo Pond is difficult for non-rowers to use when the rowing crews are**
 401 **practicing or racing due to marine right of way rules giving the rowers the right of way**
 402 **through the majority of the non weed infested waters on the pond, and**

403 **WHEREAS, the rowing clubs have multiple boats that require megaphone use for**
 404 **coaching, the sound of which carries across the Pond and into surrounding**
 405 **neighborhoods, and**

406 **WHEREAS, the rowing clubs use gasoline motored launches to coach crew boats which**
 407 **are known to regularly violate the "no wake" impoundment rule and,**

408 THEREFORE, BE IT RESOLVED that the Park Advisory Commission (PAC) recommends that
 409 City Council:

410 1) Accept the Huron River Impoundment Management Plan (HRIMP) report, and establish
 411 a very broadly based River Stewardship Committee to address:
 412 i) aquatic vegetation management that identifies best management practices (BMP) and
 413 also funding
 414 ii) the questions regarding sedimentation, toxins, water temperature and fisheries for
 415 which there is inadequate scientific information to make decisions
 416 iii) propose a timeline and costs for sustainable use of the dams and their future removal
 417 or replacement, and

418 2) Direct the implementation of the HRIMP recommendations that require minimal capital
 419 funds and additional staff during 2009-2011, and

420 3) Approve immediate engineering appraisal of the alternate options for the repair of the
 421 headrace and earthen embankment toe drains below Argo dam that offer the potential of
 422 the least expensive courses of action that would meet the immediate requirements of the
 423 state, as well as those for a water course or portage for canoes and kayaks, and

424 4) Provide funds for additional responsibilities assigned to Parks and Recreation, Park
 425 Operations, and Natural Area Preservation that will be required for any adopted
 426 recommendations to be implemented in 2009-2011, and

427 5) Accept the course of action for Argo dam that retains Argo Dam and Argo Pond with the
 428 repair of the toe drains in the embankment below the dam with BMP flow controls, and
 429 appropriate design of the water supply to the headrace, and plan to create a water bypass
 430 or suitable portage for canoes and kayaks, and

431 6) Establish lines of responsibility within the city departments and staff for implementing
 432 recommended actions of the Huron River Impoundment Management Plan.

433 **BE IT FURTHER RESOLVED, that the Park Advisory Commission recommends that as**
 434 **long as there are rowing clubs using impoundments within the city's purview for their**
 435 **activities that the new River Stewardship Committee, as proposed in the HRIMP**
 436 **recommendations, formulate an appropriate fee structure, shared use plan and schedule,**
 437 **and set a deadline for all megaphone use to be phased out. Such a body should also**
 438 **work to formulate a coaching strategy that will not entail violations of the "no wake"**
 439 **impoundment rule.**

There being no further business to come before the Commission, **Commissioner Berauer** moved that the meeting be adjourned. The regular meeting was adjourned at 7:05 p.m.

City Council Items Update List

Project Description	Cost	Staff	Council Date	Council Action	Source of Funding
Resolution to approve a contract with Baseline Constructors, Inc. in the amount of \$336,350 to make improvements to Veterans Memorial Ice Arena per bid # 4029 and approve a construction contingency of \$33,635 (10%) for a total project budget of \$369,985	\$369,985.00	AK	7/6/2009		Fund 18
Resolution to approve the purchase of a Dehumidification Unit from BMIL in the amount of \$136,874.00 for Veterans Memorial Park Ice Arena	\$136,874.00	AK	7/6/2009		Fund 18
Resolution to Approve Revised Park Advisory Commission Bylaws	NA	CS	7/6/2009		NA
Resolution to Approve a Partnership Agreement with Community Action Network for Operation of Bryant and Northside Community Centers per Bid #726 in the Amount of \$145,000 for FY10 and up to \$145,000 for FY11 and FY12, Respectively, with a Two Year Renewal Option for up to \$145,000 per Fiscal Year for FY13 and FY14, Contingent upon Future Approved Funding	\$145,000.00	CS	6/1/2009	approved	Fund 10
Resolution to Approve a Construction Contract with Nagle Paving Company in the Amount of \$69,696.00 to Resurface the Parking Lot at Olson Park, and to establish a Total Construction Project Budget of \$76,665,60	\$76,665.60	AK	6/1/2009	approved	Fund 18
Resolution to Approve Revised Partnership Agreement between City of Ann Arbor and Leslie Science & Nature Center	NA	CS	5/4/2009	approved	Fund 10 & 71
Resolution to approve a contract with Hart Carpentry in the amount of \$46,335.00 to construct shade structures at Fuller Pool, per bid #4012, and to establish a total construction project budget of \$50,969.00	\$50,969.00	AK	5/4/2009	approved	Fund 18 & 34

Resolution to approve a contract with Jaran Construction, Incorporated in the amount of \$179,568.00 to replace pedestrian bridges and a cart bridge, repair cart bridges, and renovate cart paths at the Leslie Park Golf Course, per Bid #4008 and to establish a total construction project budget of \$197,525.00	\$197,525.00	AK	5/4/2009	approved	Fund 71 & 6

Park Planning Capital Project Update June, 2009

Argo Canoe Livery

- The canoe/kayak yard is being expanded to accommodate additional kayaks and provide storage space for camp equipment. A public meeting was held on March 25 to present the idea, and everyone there was agreeable to the concept. Work to replace fencing begins June 11. Two sheds were installed, and kayak racks will be built in-house.

Buhr Park

- A public meeting was held on May 20 to discuss the rain garden feature that will be incorporated into the walk from Essex Drive to Allen School and the Easy Street walk reconstruction.
- Design work is underway to provide an accessible route from the Buhr pool/ice rink parking lot to the building entry plaza.
- Replacement of tot-pool liner is complete
- A consultant has evaluated the integrity of the steel structure over the ice arena and has prepared specifications for painting the structure.
- Repairs were made to the surfacing of the main pool.
- Evaluation of the ice arena floor is underway to contend with leaks in the system.

Bridge Repairs

- Engineering work complete to repair the vehicle bridges at Bandemer Park and Gallup Park. The Gallup Bridge will be repaired in late fall.

Burns Park

- A Petanque court will be constructed near the existing shelter in the park at the corner of Wells and Baldwin. Bids have been received and construction is planned for end of June.

Cobblestone Farm Barn

- Bids have been received for the replacement light poles. Lighting along the path was installed, and up-lighting for the house will be installed in June.
- A consultant is working on designs to renovate the kitchen in the Cobblestone Farm Barn.
- Plant installation is complete.

Farmers Market

- Phase 1 work resumed December 1st beginning with an electrical panel changeover. Work to follow includes new light fixtures (which are on order), structure repairs, and installation of a public address system. Painting work will take place this summer.

Kempf House

- An architect has designed a barrier free walk to replace the ramp. The project was approved by the Kempf House Board and the Historic District Commission. The bid for construction is due July 2.

Leslie Golf Course

- Replacement of pedestrian bridges and cart paths was approved by City Council on May 4th. Work should begin in late June.
- Two restroom structures were purchased and one was installed. A second one will be installed later this summer when the ground is drier for easier access.

Mary Beth Doyle Park

- Bids for construction of the disc golf course are nearly complete and will be sent out this month.
- The play area construction is complete.

Olson Park

- The paving of the final course of asphalt on the parking lot and driveway is planned for early summer. It was passed by City Council in June.
- Management of the naturalized planting areas has resumed as part of a multi-year contract.

Riverside Park

- The play area replacement is complete.

Southeast Area Park

- The rubberized surfacing at the basketball court is being replaced.

South Maple Park

- Replacement of the walkway connection to the housing units adjacent to the park will be completed in July.

Trail and pathway repairs

- Renovations to pathways at Sugarbush, Huron Highlands, Leslie Park frontage on Pontiac Trail, and South Maple Park will be completed in July.

Veterans Memorial Park Ice Arena

- Consultants have completed design for modernization of arena locker rooms, extension of the fire suppression system, and a new dehumidification/air handling system to control and remove condensation problems. Bids were received for the dehumidification system. The installation bid was received and is on the July 6 meeting.

West Park

- A third public meeting was held on April 14th. Concept plans were presented pertaining to storm water, circulation and recreation amenities. A consultant has completed a stormwater master plan in conjunction with staff designs.
- Construction drawings are being prepared in order to seek federal stimulus money.

City of Ann Arbor 2008 – 2013 Park Maintenance and Capital Improvements Millage Status: For Fiscal Years 2008 and 2009

City of Ann Arbor voters approved a six-year park millage in November 2006 that funds current, ongoing improvements to Ann Arbor's park system, which consists of 162 parks spanning 2,095.05 acres. The table below lists park development, maintenance and improvement projects funded through your support of this millage; the fiscal year (FY) in which the improvement occurred is indicated. Also indicated on this table are park improvements made possible through other funding sources, as specified.

www.a2gov.org/parks

If you have questions or comments regarding the projects below, please contact Parks and Recreation Services Manager Colin Smith at 734.794.6000, ext. 42500, or cssmith@a2gov.org. We hope you enjoy all that the Ann Arbor parks system has to offer!

Location	Project	Status
70 Playground Sites	3,280 yards of playground safety bedding replaced around play equipment.	Complete <i>Paid for from FY 2008 and 2009</i>
<u>Allmendinger Park</u> 645 Pauline Boulevard	Total renovation of both restrooms. New kitchenette, with appliances and counter top, constructed in shelter room.	Completed May 2008 <i>Paid for from FY 2008</i>
	One drinking fountain replaced. This fountain is handicap accessible with dual drinking bowls. .	Completed August 2008 <i>Paid for from FY 2008 and 2009</i>
	Changed out all traditional light bulbs for T8 energy efficient bulbs in shelters.	Completed in July 2008 <i>Paid for from FY 2008 and 2009</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Arboretum Nature Center</u> Nichols Drive and East Medical Center Drive	Reconstructed service road adjacent to Huron River within city-owned portion of Arboretum property	Completed June 2008 <i>(Paid for from previous Park Rehabilitation and Development Millage)</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Arbor Hills Nature Area</u> Green Road, between Kilburn Park Circle and Burbank Drive	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Arbor Oaks Park</u> Champagne Drive at Stratton Court	50 trees donated and planted by Ann Arbor Rotary Club. Assisted by City staff.	Completed fall 2008 <i>Paid for from FY 2008-2009</i>
<u>Argo Nature Area</u> 1055 Longshore Drive	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Argo Canoe Livery</u> 1055 Longshore Drive	Expansion of yard to accommodate new kayaks and storage sheds for camps	Work underway, to be complete by end of May <i>Paid for from FY09</i>
<u>Bandemer Park</u> 1352 Lakeshore Drive	New restroom buildings; parking lot reconstruction; new dirt bike jump	Completed July 2008 <i>Paid for from FY 2008 and 2009</i>

	course; landscaping; new disc golf course	
	Planted 100 trees	Completed spring 2008 <i>Paid for from FY 2008</i>
	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Barton Nature Area</u> Huron River Drive at Bird Road	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Berkshire Creek Nature Area</u> South Huron Parkway and Washtenaw Avenue	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Beckley Park</u> Argo Drive and Ottawa Street	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Belize Park</u> 742 Franklin Street	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Bird Hills Nature Area</u> Newport Road on the west; Bird Road on the north; Huron River Drive on the east; M-14 on the south	Planted rain garden at Newport Road entrance to reduce erosion in sensitive ecosystems	Completed spring 2008 <i>Paid for from FY 2008</i>
	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Black Pond Woods Nature Area</u> 183 Traver Road	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Bluffs Nature Area</u> 1099 N. Main Street	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Broadway Park</u> Broadway Street at Huron River	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Bromley Park</u>	NAP active volunteer coordination	Ongoing

Briarcliff Street between Renfrew Street & Aurora Street		<i>Paid for from each FY</i>
<u>Brookside Park</u> Stone School Road and Brookside	Planted one tree	Completed spring 2008 <i>Paid for from FY 2008</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Bryant Community Center</u> 3 West Eden Court	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Buhr Park Pool and Ice Arena</u> 2751 Packard Road	Redesigned configuration of ice shaving storage outside the ice arena. New concrete pad and fencing.	Completed September 2007 <i>(Paid for from previous Park Rehabilitation and Development Millage)</i>
	Resurfaced entire main pool liner	Completed May 2008 <i>Paid for from FY 2008</i>
	New roof	Completed in spring 2008 <i>Paid for from FY 2008</i>
	Buhr Park: Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	Buhr Park: NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	Buhr Park: NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
	Walk to be replaced from Essex to Allen School and from Easy Street to Park	Work to be completed by fall 2009 <i>(Paid for from previous Park Rehabilitation and Development Millage)</i>
New picnic tables and benches for pool area purchased and installed	<i>Completed May 2009 Paid for from FY 2009</i>	
<u>Burns Park</u> 1300 Baldwin Ave.	Two drinking fountains replaced. These fountains are handicap accessible, dual drinking bowls and a dog drinker.	Completed August 2008 <i>Paid for from FY 2008 and 2009</i>
	Changed out all traditional light bulbs for T8 energy efficient bulbs in shelters.	Completed July 2008 <i>Paid for from FY 2008 and 2009</i>
	Tennis courts rebuilt, including color coat and practice wall	Completed September 2008 <i>Paid for from FY 2008 and 2009</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Burr Oak Park</u> 528 and 601 Burr Oak Drive	Planted five trees	Completed spring 2008 <i>Paid for from FY 2008</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Cedar Bend Nature Area</u> Cedar Bend Drive at Broadway Street	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Churchill Downs Park</u> 2100, 2110 Steeplechase Drive	Sport court surfacing: Applied color coat surfacing to delineate court playing field areas and to extend asphalt surface service life	Completed July 2008 <i>(Paid for from previous Park Rehabilitation and Development Millage)</i>
<u>Cobblestone Farm</u> 2781 Packard Road	Cobblestone Farm Barn refurbished for parks and recreation customer service center	Completed October 2008 <i>Paid for from FY 2008 and 2009</i>

	Wood flooring replaced on second floor of barn	Completed February 2009 <i>Paid for from FY 2009</i>
	New walkway, rain garden, landscaping, pent roof, drainage improvements	Completed November 2008 <i>Paid for from FY 2008 and 2009</i>
	Lighting, final planting, signage	To be completed by May 2009 <i>Paid for from FY 2008 and 2009</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
	Interior of rental barn repainted	Completed in May 2009 <i>Paid for from FY 2009</i>
<u>Cranbrook Park</u> 300 W. Oakbrook Drive	One drinking fountain replaced. This fountain is handicapped accessible, has dual drinking bowls and a dog drinker.	Completed in August 2008 <i>Paid for from FY 2008 and 2009</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
	120 linear feet of pathway repaired.	Completed summer 2008 <i>Paid for from FY 2008 and FY 2009</i>
<u>Creal Park</u> Creal Crescent at Helen Street	Sport court surfacing: Applied color coat surfacing to delineate court playing field areas and to extend asphalt surface service life	Completed July 2008 <i>(Paid for from previous Park Rehabilitation and Development Millage)</i>
<u>Dhu Varren Woods Nature Area</u> Dhu Varren Road at Birchwood Drive	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Dicken Woods Nature Area</u> South of Pauline Boulevard; east of South Maple Road; north of Dicken Elementary School	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Dolph Nature Area</u> Wagner Road on the west; Jackson Road on the north; Parklake Avenue on the east	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Ellsworth Park</u> East Ellsworth Road, between Jonathan Court and Braeburn Circle	Sport court surfacing: Applied color coat surfacing to delineate court playing field areas and to extend asphalt surface service life	Completed July 2008 <i>Paid for from previous Park Rehabilitation and Development Millage</i>

	Removed unwanted vegetation along eastern boarder. Graded and re-seeded area.	Completed summer 2008 <i>Paid for from FY 2008 and FY 2009</i>
<u>Esch Park</u> Esch at Winthrop Court	Planted two trees	Completed spring 2008 <i>Paid for from FY 2008</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Evergreen Park</u> 3131 Parkwood St.	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Farmers Market</u> 315 Detroit St.	Solar Photovoltaic Panel installation	Completed in July 2008 <i>Paid for by DDA</i>
	Educational kiosk	To be completed winter 2008/2009 <i>Paid for by Michigan Energy Office and FY 2009 City Energy Office</i>
	Phase 1 design work complete. Construction contract awarded for Phase 1 elements, includes new lighting, painting of shed structures, gutter repairs, and public address system.	Portions to be completed fall 2008; painting to be completed spring 2009 <i>Paid for from FY 2008 and 2009, DDA, Market Fund, previous Park Rehabilitation and Development Millage and Park Maintenance and Capital Improvements Millage</i>
<u>Folkstone Park</u> North Folkstone Drive north of Larchmont Drive	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Forest Nature Area</u> Handy Lane and Geddes Road	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Foxfire South Park</u> Olmstaad Drive, south of Dhu Varren	Native plant revegetation	Ongoing <i>Paid for from ach FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Foxfire West Park</u> Birchwood Drive between Hickory Point Drive and Timbercrest Court	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Fritz Park</u> 1450 Pauline Boulevard	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Fuller Park</u> 1519 Fuller Road	New water irrigation system for soccer fields.	Completed in spring 2008 <i>Paid for from FY 2008</i>
	Soccer field restoration: Two soccer fields, for the next three years, will be renovated to bring fields up to an acceptable playing level. Includes fencing to control play and better	Project started in fall 2008 <i>Paid for from FY 2008 and 2009</i>

	maintained fields in the future.	
	Pool: New roofs installed for the office, mechanical and shower buildings	Completed in spring 2008 <i>Paid for from FY 2008</i>
	Planted five trees	Completed spring 2008 <i>Paid for from FY 2008</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	Shade structures to be constructed in pool area	To be constructed in May/June 2009 <i>Paid for from FY 2009</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
	Main pool pump and waterslide pump rebuilt	Completed May 09 <i>Paid for from FY 2009</i>
	Pool waterslide concrete bottom and drain work being redone	Completed May 2009 <i>Paid for from FY 2009</i>
Furstenberg Nature Area 2626 Fuller Road	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
Gallup Park 3000 Fuller Road	Old fishing dock rebuilt, leveled and the decking boards were replaced with TREX boards. Boards are recycled plastic with a life expectancy of 50 years. Also, replaced boards on both memorial benches on dock.	Completed June 2008 <i>Paid for from FY 2008</i>
	Changed out all traditional light bulbs for T8 energy efficient bulbs in shelters.	Completed July 2008 <i>Paid for from FY 2008 and 2009</i>
	Two drinking fountains replaced. The fountain adjacent to the Livery is handicapped accessible, has dual drinking bowls, jug filler and a dog drinker. The second fountain is adjacent to the vehicle bridge and is handicapped accessible, has dual drinking bowls and a dog drinker.	Completed in August 2008 <i>Paid for from FY 2008 and 2009</i>
	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
	Livery interior remodeled	Completed May 2009 <i>Paid for from FY 2009</i>
Garden Homes Park 1800 Franklin St.	New play area, park furniture, landscaping and walk repair	Completed August 2007 <i>(Paid for from previous Park Rehabilitation and Development Millage)</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>

Glacier Highlands Park Larchmont Drive at Barrister Road	Sport court surfacing: Applied color coat surfacing to delineate court playing field areas and to extend asphalt surface service life	Completed July 2008 <i>(Paid for from previous Park Rehabilitation and Development Millage)</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
Glazier Hill 3412 and 3420 E. Dobson Place	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
Greenview Park (leased from Ann Arbor Public Schools) North of Scio Church Road, west of South Seventh and east of Greenview Drive	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
Hannah Nature Area 206 Mark Hannah Place	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
Hanover Square Packard and South Division	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
Hansen Nature Area South Maple, north of Hansen Drive	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
Hollywood Nature Area Sequoia Parkway at Kuehnle Avenue	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
Hunt Park 1035 Daniel St.	One drinking fountain replaced. This fountain is handicapped accessible and has dog drinkers and bottle filler spouts.	Completed August 2008 <i>Paid for from FY 2008 and 2009</i>
	Restrooms are to be renovated with new partitions, new flooring and energy efficient lighting.	Approximate completion spring 2009; partitions installed May 2009 <i>Paid for from FY 2008 and 2009</i>
	Planted 15 trees	Completed spring 2008 <i>Paid for from FY 2008</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
Huron Highlands Park Skydale Drive and Pontiac Trail	Replacement of walk through park	Approximate completion by spring 2009 <i>Paid for from FY 2008</i>
	Planted 19 trees	Completed spring 2008 <i>Paid for from FY 2008</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
Huron Hills Golf Course 3465 E. Huron River Drive	Clubhouse (spring 2008) and shop building (summer 2008) painted	Completed in 2008 <i>Paid for from FY 2008</i>
	NAP active volunteer coordination	Ongoing

		<i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Huron Parkway Nature Area</u> Huron Parkway between Washtenaw Avenue and Huron River Drive	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Island Park</u> 1450 Island Drive	Men's restroom: Upgrade all facets and stools to auto water/flushing units. Women's restroom will follow.	Approximate completion by fall 2008 <i>Paid for from FY 2008 and 2009</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Kilburn Park</u> Kilburn Park Circle and Dunwoodie Drive	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Kuebler Langford Nature Area</u> Huron River Drive and M-14	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Lakewood Nature Area</u> Lakeview Avenue at West Liberty	Plant and animal inventory	Ongoing <i>Paid for from each FY</i>
	Native plant revegetation	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
<u>Lansdowne Park</u> Lans Way at Ascot Road	New play area, reconstructed pathway, basketball court resurfaced, new park furniture	Completed July 2007 <i>(Paid for from previous Park Rehabilitation and Development Millage)</i>
	Sport court surfacing: Applied color coat surfacing to delineate court playing field areas and to extend asphalt surface service life	Completed July 2008 <i>(Paid for from previous Park Rehabilitation and Development Millage)</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Lawton Park</u> Mershon Drive between Scio Church and Delaware	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>
<u>Leslie Park</u> Leslie Park Circle and DhuVarren Road	New play area construction	Completed November 2008 <i>Paid for from FY 2008 and 2009</i>
	Basketball court rebuilt including color coat	Completed August 2008 <i>Paid for from FY 2008 and 2009</i>
	Walk replacement on Pontiac Trail entrance to park	Approximate completion spring 2009 <i>Paid for from FY 2008 and 2009</i>
	NAP active ecological restoration	Ongoing <i>Paid for from each FY</i>
	NAP active volunteer coordination	Ongoing <i>Paid for from each FY</i>

Leslie Park Golf Course 2120 Traver Road	Replace pro shop tables, chairs and umbrellas	Completed November 2008 <i>Paid for from FY 2008 and 2009</i>
	Purchase of new maintenance equipment	Completed July 2008 <i>Paid for from FY 2008 and 2009</i>
	Replace all pedestrian bridges, repair and/or replace cart bridges, repair of selected pathways	Approximate completion summer 2009 <i>Paid for from FY 2008 and 2009</i>
	Install two vault-style restroom buildings	Approximate completion June 2009 <i>Paid for from FY 2008 and 2009</i>
	Repair existing shelters on course, including reroof and structural repair	Structural repair completed December 2008; roof repair will be March 2009 <i>Paid for from FY 2008 and 2009</i>
	Clubhouse painted	Completed spring 2008 <i>Paid for from FY 2008</i>
	Parking lot repaired and recoated	Completed summer 2008 <i>Paid for from FY 2008</i>
	New roof	Completed spring 2008 <i>Paid for from FY 2008</i>
	New benches constructed around clubhouse	Completed in March 2009 <i>Paid for from FY 2009</i>
