

# City of Ann Arbor – Planning & Development Services

## Mechanical Permit Fees

<u>Activity</u>	<u>Effective July 1, 2006</u>
Heating Installation Permits: Each Inspection	\$29.00
Heating units up to 50,000 BTU/hr, each	\$35.00
Heating units 50,001-200,000 BTU/hr, each	\$44.00
Heating units 200,001-500,000 BTU/hr, each	\$55.00
Heating units 500,001-1,000,000 BTU/hr, each	\$66.00
1,000,000+ BTU/hr, each	\$164.00
Heating – Distribution System (new or alternation)	\$38.00
Heating – Incinerator not over 5 bushel capacity	\$23.00
Heating – Incinerator over 5 bushel capacity	\$49.00
Heating – Gas Lines, each	\$28.00
Gas or Oil Burner Replacement (no other alterations) Units with input rating not exceeding 50,000 BTU/hr, same building: First 5 burners, each	\$23.00
Gas or Oil Burner Replacement (no other alterations) Units with input rating not exceeding 50,000 BTU/hr, same building: Each additional burner	\$16.00
Gas or Oil Burner: Over 50,000 to 500,000 BTU/hr: First 5 burners, each	\$31.00
Gas or Oil Burner: Over 50,000 to 500,000 BTU/hr: Each additional burner	\$23.00
Gas or Oil Burner: Over 500,000 BTU input/hr, each burner	\$48.00
Factory built fireplace	\$38.00
Minimum permit fee	\$39.00
Special Inspections: Extra inspection on job with permit	\$38.00

## Mechanical Permit Fees

<u>Activity</u>	<u>Effective July 1, 2006</u>
Special Inspections: Special or overtime inspection for each hour or fraction thereof	\$46.00
Special Inspections: Minimum fee of	\$92.00
License, Registration, Examination: Contractor's License Registration	\$16.00
Refrigeration Installations: Each Inspection	\$29.00
Refrigeration – Systems and/or compressors activated by motors or engines: 1 HP or less, each	\$35.00
Refrigeration – Systems and/or compressors activated by motors or engines: 1+ HP – 5 HP, each	\$38.00
Refrigeration – Systems and/or compressors activated by motors or engines: 5+ HP – 10 HP, each	\$44.00
Refrigeration – Systems and/or compressors activated by motors or engines: 10+ HP – 25 HP, each	\$57.00
Refrigeration – Systems and/or compressors activated by motors or engines: 25+ HP – 50 HP, each	\$66.00
Refrigeration – Systems and/or compressors activated by motors or engines: 50+ HP – 100 HP, each	\$114.00
Refrigeration – Systems and/or compressors activated by motors or engines: 100+ HP	\$164.00
Refrigeration – Distribution System (new or alteration)	\$38.00
Refrigeration – Distribution System Self-contained systems: 2PH or less, each	\$31.00
Refrigeration – Distribution System Self-contained systems: 2+ PH	\$38.00
Refrigeration – Distribution System Alteration to each system: (this does not include compressors, such requiring installation permits based on their horsepower)	\$38.00
Refrigeration – Special or shop inspection of mechanical equipment; each unit – each visit	\$49.00
Refrigeration – minimum permit fee	\$39.00
Refrigeration – Special Inspections: Extra inspection on job with permit	\$39.00
Refrigeration – Special Inspections: Special or overtime inspection for each hour or fraction thereof	\$46.00
Refrigeration – Special Inspections: Minimum fee	\$92.00
