Meeting*

Toward a Sustainable Water Future for Ann Arbor

How Much? From Where? How Safe? At What Cost?

**Monday, October 10, 2005 7:00-9:00 p.m.
1100 N. Main in the N.E.W. Center**

The N.E.W. Center is located on the Huron River, next to the ArtTrain

This is an opportunity to review and comment on the recommendations of the City's proposed 50-Year Drinking Water Master Plan before the Plan is presented to City Council.

Presented by the City of Ann Arbor in cooperation with the Huron River Watershed Council

PIZZA PROVIDED
