Notice of Temporary Traffic Control Plan
INTERSECTION OF N. MAPLE ROAD AND DEXTER AVE
April 28, 2008 to May 8, 2008

Location and Limits of Affected Area:

Intersection of Maple Road and Dexter Avenue

Description of Construction:

The Maple-Miller Transmission Water Main project includes the installation of a 24" water main and partial road resurfacing along N. Maple Road and Miller Ave. This is the initial phase of the larger transmission water main project at the intersection of N. Maple Road and Dexter Ave.

Temporary Construction Traffic Control Plan:

At the intersection of N. Maple Road and Dexter Ave:

- The "NB traffic to WB on Dexter Ave" will be directed north on N. Maple to Miller Ave., west to Wagner Rd. and south to Dexter Ave.
- The "EB traffic to NB on Maple Road" will be directed east on Dexter Ave to S. Seventh St., north to Miller Ave, and west to N. Maple Rd.
- The "SB traffic to WB on Dexter Ave" will be directed south on N. Maple to Jackson Rd, west to Wagner Rd and north to Dexter Ave.
- The "WB traffic to WB on Dexter Road" will be directed:
 1. North on N. Maple to Miller Ave, west to Wagner Road, and south to Dexter Ave., or
 2. South on N. Maple to Jackson Ave., west to Wagner Road, and north to Dexter Ave.

During this construction the traffic may experience brief delays within the areas influenced by this work. Detour signs will be posted for this construction; however the motorists are advised to seek alternate routes. To maintain the safety of all, please reduce speeds and drive cautiously through work zones. We thank you in advance for your patience as these necessary improvements to utility system are completed. Refer to the enclosed map for further details.
