

Harper's 4th TOY DRIVE

2024 TOY DRIVE PROUDLY ANNOUNCES THE HARPER STRONG FOUNDATION

Harper's Toy Drive has become one of the largest toy drives for CS Mott Children's Hospital! This year, we honor Kaycee Clark, who courageously battled Medulloblastoma cancer for 15 months. Kaycee completed her journey here on earth in July, 2024, at the age of 10. In honor of Kaycee, a monetary donation will be made in her name to The Cure Starts Now! All toys will be donated by Harper to CS Mott Children's Hospital.
