

PITTSFIELD VILLAGE IMPROVEMENTS

City of Ann Arbor

PURPOSE

This project will provide improvements to the Pittsfield Village Neighborhood. When finished, this project will:

- Reduce road flooding
- Reduce risk of basement backups
- Reduce water service interruptions from water main breaks
- Increase fire protection
- Improve information on water usage to find water leaks more quickly
- Improve roads and sidewalks

WHAT TO EXPECT

Construction work will have a big impact on daily life. Residents can expect the following during construction:

- Noise and dust
- Loss of on-street parking
- Street and sidewalk closures
- Interruption of water service
- Disruption to events, deliveries, and waste collection
- Disruption to Pittsfield Elementary school pick-up and drop-off
