RE: Mershon Drive (Scio Church Road – Delaware Drive): Results of Final Polling

Dear Mershon Drive Residents and Owners,

Thank you for your interest in Traffic Calming on Mershon Drive. Following an initial questionnaire, orientation meeting, and self-guided tour meeting, a final poll was conducted to determine support for traffic calming within the project area.

The program guidelines specify that, “greater than 50% of returned final polls must indicate support (‘yes’) for the final plan”. This letter is to inform you that the results have been officially tallied and **the project has received enough support to move forward**. The breakdown of the final poll results are as follows:

- 21 Addresses in project area
- 13 Final poll responses received
- 11 Final polls supporting the final plan
- 85% Percent of final polls received support the final plan as shown.

The Traffic Calming Program has recently incorporated changes to align with the legislative resolution passed by Ann Arbor City Council in September 2023 regarding updates to the Traffic Calming Program. One of these updates is to remove the requirement to present Final Plans for individual Traffic Calming Projects to the Transportation Commission and City Council prior to consideration for construction. The full text is available on the city’s website, a2gov.legistar.com.

This project has met the required criteria to be considered for construction as funding becomes available and is tentatively planned to be completed during the 2025-2026 construction season. Notification will be provided to project area residents prior to work commencing.

We have enjoyed working with the Mershon Drive neighborhood and appreciate your involvement in the Traffic Calming Program. If you have any questions, please contact a team member at 734-794-6429 or by email at TrafficCalming@a2gov.org.

Best regards,

Your Traffic Calming Team

C: Andrea Wright, Chris Cespedes, Raymond Hess, Cyrus Naheedy, Kristy Thullen, Lori Pawlik

All persons are encouraged to participate in public meetings. Accommodations, including sign language interpreters, may be arranged by contacting the City Clerk’s office at 734.794.6140; via email to: cityclerk@a2gov.org; or by written request addressed and mailed or delivered to: City Clerk’s Office 301 E. Huron St. Ann Arbor, MI 48104. Requests made with less than two business days’ notice may not be able to be accommodated.

Mershon Drive (Scio Church Road – Delaware Drive) Traffic Calming Final Poll Response Summary

Project area addresses: 21

Questionnaire responses received: 14

This summary is a direct transcription of the Final Poll results and comments. Disqualifying votes due to missing or incorrect ID Number are tallied as 'Not indicated'.

Do you support the proposed plan, as presented in the 'Final Plan'?	
YES, I support the entire proposed plan, as presented in the 'Final Plan'	11
NO, I do not support the 'Final Plan'	02
Not indicated	01
Comments received:	
There is not a need for speed bumps on Mershon. This is not a heavily trafficked street and with Lawton nearby, I see this as a potential hazard.	
Support. Thanks for helping us with this.	
Appreciate the process and the plan	
We are absolutely against this plan. It is big waist of our tax money and human energy. On this short block and 2 STOP signs people can not speed and usually don't. Ther are many streets in Ann Arbor which can use humps, but not this short block. If the "Final Plan" goes through we will be protesting since the whole idea doesn't make any sense.	
Do not like the look and it is waste of time money I don't like anywhere is near me it is an eye sore "PEACE"
