The Ann Arbor Police Department is actively investigating a bias-motivated assault that occurred on 9/15/24 at approximately 12:45am in Hill Street and S. Forest. The 19-year-old male victim reported he was walking when a group of unknown males behind him asked if he was Jewish. When the victim replied yes, the group of males proceeded to assault him. The suspects then fled the area on foot. The victim suffered minor injuries, and he did not require hospitalization. The incident was later reported by the victim to the AAPD on 9/15/24 at 12:20pm.

We take bias-motivated crimes very seriously and have assigned this incident to our hate crimes detective. Right now, it is very early in the investigation and have limited information on the suspects. We will provide additional information when it becomes available.

Anyone with information about the incident or related incidents is asked to contact the AAPD tip line at 734.794.6939 or email [tips@a2gov.org](mailto:tips@a2gov.org).
