There has been resident driven interest in establishing a wood chipped path through [Eisenhower Park](#), to connect [Churchill Downs Park](#) to Northbrook Drive (map below). The Adopt-a-Park program is reviewing a [special park project application](#) in which permission is being sought for volunteers to cut brush and put down woodchips to identify a walking path. As part of the review process, we are looking for neighbor input. Please visit the survey to provide feedback anytime before August 1, 2021: [Eisenhower Park path survey](#).
