## **SECTION I - GENERAL INFORMATION**

### **A. OBJECTIVE**

The City of Ann Arbor is seeking professional services from a Firm to perform pavement condition rating services for the City's paved street system and to develop statistical reports based on those ratings.

The City utilizes Roadsoft software, developed by the Michigan Department of Transportation (MDOT), for its pavement asset management program. Therefore, the Firm must perform the pavement condition rating utilizing the MDOT approved Pavement Surface Evaluation and Rating (PASER) system developed by the University of Wisconsin-Madison Transportation Information Center.

In order to facilitate seamless transmittal of rating information to the City's Roadsoft database, use of the Roadsoft Laptop Data Collector utility (LDC) will also be required.

The overall objective of this work is to provide an assessment of the City's progress toward reaching a City Council target street condition goal.

The City is seeking these services for a 2019 condition rating with the City reserving an option to extend the contract term for up to three additional ratings to be performed in 2021, 2023, and 2025. The City Engineer or his designee will oversee the direction and quality of work of this Firm.

## **SECTION II - SCOPE OF SERVICES**

### 1. Background

The City's paved street system consists of approximately 101.6 centerline miles of Act 51 Major streets and 187.3 centerline miles of Act 51 Local streets. The system to be rated includes 3.5 miles of concrete streets with the balance of approximately 285.4 miles being asphaltic or composite pavement.

Rating of the City's approximately 12 miles of gravel streets and .75 miles of brick streets is not included in the scope of this work.

The City's pavement system was last rated in June of 2017. Rating was performed by a consultant utilizing the Pavement Condition Index (PCI) rating system. Condition scores were then converted to the PASER rating scale using a formula developed by the University of Wisconsin.

Going forward, the City determined that performing pavement condition rating by direct utilization of the PASER rating system (as well as gathering data utilizing the Roadsoft LDC) would result in a more streamlined rating process. It will also assure ready communication of results with the Michigan Transportation Asset Management Council (TAMC).

### 2. Detailed Requirements and Scope

- A. The chosen Firm must have demonstrated competencies in rating pavement condition utilizing the PASER rating system and also in the employment of the Roadsoft LDC.
- B. Target schedule for performance of the condition ratings is mid to late fall of 2019 after the City has substantially finished its pavement treatments for the year but before snowfall.
- C. The chosen Firm must download LDC software from the [Roadsoft](#) website to a Firm-owned laptop capable of running the software (see needed capabilities described on the website).
- D. The City will provide Firm with an LDC export of a Roadsoft filter that includes all pavement segments to be PASER rated.
- E. Firm shall rate all such pavement segments utilizing the PASER rating system, input data to the LDC, and create an export file daily. The Firm must review all work for completeness before transmitting files to the City. The chosen Firm

will propose a quality assurance process to be reviewed and approved by the City prior to commencement of work to assure seamless transmittal of data.

- F. Once all segments have been rated, and all export files reviewed and approved by the City, the Firm will develop a series of statistical reports designed to depict the overall condition of the City's pavement system. The City will furnish all applicable 2017 reports needed for comparison. Those reports will include at a minimum:
  - a. A spreadsheet report comparing each pavement segment's 2017 PASER score to its 2019 PASER score. This is intended for staff use.
  - b. Tabular and graphic figures suitable for public presentation summarizing the total centerline miles of pavement in each PASER condition rating group (1-10) with side by side comparison to 2017 figures.
  - c. Tabular and graphic figures suitable for public presentation as per b. above but prepared separately for the Act 51 Major and Local streets.
  - d. Tabular and graphic figures suitable for public presentation summarizing the centerline miles of pavement in the following PASER rating categories (7-10, 5-6, and 1-4) with side by side comparison to 2017 figures.
  - e. Tabular and graphic figures suitable for public presentation as per d. above but prepared separately for Major versus Local streets.
- G. As an Optional service, the City may wish to utilize the services of the chosen Firm to assist with revisions to the City's MDOT approved Pavement Asset Management Plan and associated Roadsoft Asset Management functions. Per Section III, A.4. below, the sealed Fee Proposal should include a rate schedule in the event the City should elect to utilize such services in addition to the services per Items in A-F of this Section.
- H. The City may wish to extend the contract for up to 3 additional rating cycles (2021, 2023, and 2025). Per Section III, A.4. below, the sealed Fee proposal should also include lump sums quotes for each of the three additional rating cycles.

## B. PROPOSAL EVALUATION

1. The selection committee will evaluate each proposal by the above-described criteria and point system (A and B) to select a short-list of Firms for further consideration. The City reserves the right to reject any proposal that it determines to be unresponsive and deficient in any of the information requested for evaluation. A proposal with all the requested information does not guarantee the proposing Firm to be a candidate for an interview. The committee may contact references to verify material submitted by the Firms. Fee proposals will then be opened for the short-listed candidates and added to the proposer's tentative score.
2. The committee then will schedule interviews with the selected firms if necessary. The selected Firms will be given the opportunity to discuss in more detail their qualifications, past experience, proposed work plan and fee proposal.
3. The interview must include the project team members expected to complete a majority of work on the project, but no more than six members total. The interview shall consist of a presentation of up to thirty minutes (or the length provided by the committee) by the Firm, including the person who will be the project manager on this contract, followed by approximately thirty minutes of questions and answers. Audiovisual aids may be used during the oral interviews. The committee may record the oral interviews.

4. The Firms interviewed will then be re-evaluated by the above criteria (A through C), and adjustments to scoring will be made as appropriate and added to the fee proposal score. After evaluation of the proposals, further negotiation with the selected Firm(s) may be pursued leading to the award of a contract by City Council, if suitable proposals are received.

The City reserves the right to waive the interview process and evaluate the Firms based on their proposals and fee schedules alone and open fee schedules before or prior to interviews.

The City will determine whether the final scope of the project to be negotiated will be entirely as described in this RFP, a portion of the scope, or a revised scope.

Work to be done under this contract is generally described through the detailed specifications and must be completed fully in accordance with the contract documents.

Any proposal that does not conform fully to these instructions may be rejected.

### **C. PREPARATION OF PROPOSALS**

Proposals should have no plastic bindings but will not be rejected as non-responsive for being bound. Staples or binder clips are acceptable. Proposals should be printed double sided on recycled paper. Proposals should not be more than 20 pages (double-sided), not including required attachments and resumes.

### **D. ADDENDA**

If it becomes necessary to revise any part of the RFP, notice of the addendum will be posted to Michigan Inter-governmental Trade Network (MITN) [www.mitn.info](http://www.mitn.info) and/or the City of Ann Arbor web site [www.A2gov.org](http://www.A2gov.org) for all parties to download.

**Each Firm must acknowledge in its proposal all addenda it has received.** The failure of a Firm to receive or acknowledge receipt of any addenda shall not relieve the Firm of the responsibility for complying with the terms thereof. The City will not be bound by oral responses to inquiries or written responses other than official written addenda.

- B. The City shall notify the Contractor of any defects in the Services of which the Contract Administrator has actual notice.

- B. The Contractor shall retain the right to pledge payment(s) due and payable under this Agreement to third parties.

## **XI. TERMINATION OF AGREEMENT**

- A. If either party is in breach of this Agreement for a period of fifteen (15) days following receipt of notice from the non-breaching party with respect to a breach, the non-breaching party may pursue any remedies available to it against the breaching party under applicable law, including but not limited to, the right to terminate this Agreement without further notice. The waiver of any breach by any party to this Agreement shall not waive any subsequent breach by any party.
- B. The City may terminate this Agreement, on at least thirty (30) days advance notice, for any reason, including convenience, without incurring any penalty, expense or liability to Contractor, except the obligation to pay for Services actually performed under the Agreement before the termination date.
- C. Contractor acknowledges that, if this Agreement extends for several fiscal years, continuation of this Agreement is subject to appropriation of funds for this Project. If funds to enable the City to effect continued payment under this Agreement are not appropriated or otherwise made available, the City shall have the right to terminate this Agreement without penalty at the end of the last period for which funds have been appropriated or otherwise made available by giving written notice of termination to Contractor. The Contract Administrator shall give Contractor written notice of such non-appropriation within thirty (30) days after it receives notice of such non-appropriation.
- D. The provisions of Articles VI and VIII shall survive the expiration or earlier termination of this Agreement for any reason. The expiration or termination of this Agreement, for any reason, shall not release either party from any obligation or liability to the other party, including any payment obligation that has already accrued and Contractor's obligation to deliver all Deliverables due as of the date of termination of the Agreement.

## **XII. REMEDIES**

- A. This Agreement does not, and is not intended to, impair, divest, delegate or contravene any constitutional, statutory and/or other legal right, privilege, power, obligation, duty or immunity of the Parties.

#### **XIV. CHOICE OF LAW AND FORUM**

This Agreement will be governed and controlled in all respects by the laws of the State of Michigan, including interpretation, enforceability, validity and construction, excepting the principles of conflicts of law. The parties submit to the jurisdiction and venue of the Circuit Court for Washtenaw County, State of Michigan, or, if original jurisdiction can be established, the United States District Court for the Eastern District of Michigan, Southern Division, with respect to any action arising, directly or indirectly, out of this Agreement or the performance or breach of this Agreement. The parties stipulate that the venues referenced in this Agreement are convenient and waive any claim of non-convenience.

#### **XV. OWNERSHIP OF DOCUMENTS**

Upon completion or termination of this Agreement, all documents (i.e., Deliverables) prepared by or obtained by the Contractor as provided under the terms of this Agreement shall be delivered to and become the property of the City. Original basic survey notes, sketches, charts, drawings, partially completed drawings, computations, quantities and other data shall remain in the possession of the Contractor as instruments of service unless specifically incorporated in a deliverable, but shall be made available, upon request, to the City without restriction or limitation on their use. The City acknowledges that the documents are prepared only for the Project. Prior to completion of the contracted Services the City shall have a recognized proprietary interest in the work product of the Contractor.

Unless otherwise stated in this Agreement, any intellectual property owned by Contractor prior to the effective date of this Agreement (i.e., Preexisting Information) shall remain the exclusive property of Contractor even if such Preexisting Information is embedded or otherwise incorporated in materials or products first produced as a result of this Agreement or used to develop Deliverables. The City's right under this provision shall not apply to any Preexisting Information or any component thereof regardless of form or media.

#### **XVI. CONFLICTS OF INTEREST OR REPRESENTATION**

Contractor certifies it has no financial interest in the Services to be provided under this Agreement other than the compensation specified herein. Contractor further certifies that it presently has no personal or financial interest, and shall not acquire any such interest, direct or indirect, which would conflict in any manner with its performance of the Services under this Agreement.

Contractor agrees to advise the City if Contractor has been or is retained to handle any matter in which its representation is adverse to the City. The City's prospective consent to the Contractor's representation of a client in matters adverse to the City, as identified above, will not apply in any instance where, as the result of Contractor's representation, the Contractor has obtained sensitive, proprietary or otherwise confidential information of a non-public nature that, if known to another client of the Contractor, could be used in any such other matter by the other client to the material disadvantage of the City. Each matter will be reviewed on a case by case basis.

## **XVII. SEVERABILITY OF PROVISIONS**

Whenever possible, each provision of this Agreement will be interpreted in a manner as to be effective and valid under applicable law. However, if any provision of this Agreement or the application of any provision to any party or circumstance will be prohibited by or invalid under applicable law, that provision will be ineffective to the extent of the prohibition or invalidity without invalidating the remainder of the provisions of this Agreement or the application of the provision to other parties and circumstances.

This Agreement, together with any affixed exhibits, schedules or other documentation, constitutes the entire understanding between the City and the Contractor with respect to the subject matter of the Agreement and it supersedes, unless otherwise incorporated by reference herein, all prior representations, negotiations, agreements or understandings whether written or oral. Neither party has relied on any prior representations, of any kind or nature, in entering into this Agreement. No terms or conditions of either party's invoice, purchase order or other administrative document shall modify the terms and conditions of this Agreement, regardless of the other party's failure to object to such form. This Agreement shall be binding on and shall inure to the benefit of the parties to this Agreement and their permitted successors and permitted assigns and nothing in this Agreement, express or implied, is intended to or shall confer on any other person or entity any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement. This Agreement may only be altered, amended or modified by written amendment signed by the Contractor and the City. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement.
