I. QUESTIONS AND ANSWERS

The following Questions have been received by the City. Responses are being provided in accordance with the terms of the RFP. Respondents are directed to take note in its review of the documents of the following questions and City responses as they affect work or details in other areas not specifically referenced here.

Question 1: Can State of Michigan licensed abatement contractors, that are not included on the city's list of pre-qualified asbestos abatement contractors, be used for asbestos removal operations for this job?

Answer 1: Contractors not on the city's list of pre-qualified asbestos abatement contractors can request to become qualified by submitting a copy of their current asbestos abatement contractors license and for the past three years, any history of received or alleged violations as a result of inspections conducted by Michigan Occupational Safety & Health Administration (MIOSHA), U.S. Department of Labor – Occupation Safety and Health Administration (OSHA), U.S. Environmental Protections Agency (EPA), Michigan Department of Environment, Great Lakes, and Energy or other environmental, health and safety agencies. Include the above information in the proposal response.

Offerors are responsible for any conclusions that they may draw from the information contained in the Addendum.
