August Impact Report

As always, we work with some pretty fantastic groups that are composed of individuals that come from all over, with a variety of backgrounds and skills. This Give Gazette is dedicated to those groups that take time out of their busy schedules to volunteer with us and make an impact on Ann Arbor's community. Pictures say one thousand words and here you will find this issue packed with "before and after" photos of spaces that really received new life! We couldn't thank these groups (and individuals) enough!
