Company's Authorized Signature

Same-day Fee Applies Cost (\$20 per space)

The authorized signature hereby affirms their authority as a representative of the above stated company to enter agreement for use of meter bags with Republic Parking System. The company agrees to comply with the program requirements stated below, which may change from time to time under the direction of the Ann Arbor Downtown Development Authority (DDA).

Republic Parking uses DDA guidelines for issuance of any meter bags, and requires forty-eight (48) hours notice. The named company agrees to pay Republic Parking according to the Terms of Payment program. Same-day meter bag requests will be subject to a \$20 fee per space and contingent to availability of staff to process your contract. You must be parked in the space prior to requesting the space; towing from same-day spaces is prohibited. Meter bag contracts must be submitted with payment information and must be received by Republic Parking System by 3pm on the weekday prior to the meter bag contract start date. Contracts received after 3pm will be considered same day requests. Fulfillment of all meter bag requests will depend upon meter availability. Please be advised a request for meter bag service is not guaranteed and you must receive written approval of your request.

Special Event Program Requirements

1. Requests must comply with the DDA policy for meter bag issuance (see back).
2. All spaces approved due to a City of Ann Arbor street closure permit must be within the boundaries of that permit.
3. Special Events meter bag leases will be limited to five (5) days unless approved by the DDA.
4. City of Ann Arbor on street parking ordinance prohibits any parking between 3 a.m. and 6 a.m. Monday—Saturday, on most streets. Check with the City for more details and up to date ordinances.
5. Towing: Republic Parking and the DDA are not responsible for violators of leased parking spaces. It is the leaseholder's responsibility to initiate, perform, and authorize removal of unauthorized parking violators during term of meter bag lease. Meter covers must have been installed by 6:00 a.m. on any given day in which the tow is being performed. To request towing of a vehicle at your meter space(s), contact the City of Ann Arbor police dispatch at 734-994-2911. DO NOT CALL REPUBLIC PARKING OR THE ANN ARBOR DOWNTOWN DEVELOPMENT AUTHORITY TO REQUEST TOWING. The authorized parker must sign and acknowledge the Towing Consent Form, provided by the city enforcement staff, indemnifying the DDA and Republic Parking System if any vehicle is found to be wrongfully towed or damaged in this process.
6. Meter bag covers may be removed on the end date at the time noted above, but no later than the following day prior to 6 a.m. If meter bag removal is not possible because the space is still in use/obstructed there will be an additional daily meter bag fee for each day until the meter bag can be removed.
7. Any prohibited use of the City meter bag covers may result in ticketing, impoundment of vehicle(s), and revocation of use determined at the discretion of Republic Parking System.
8. Meter bag extensions must be submitted as a new contract by 3pm on the weekday prior to the new meter bag contract start date and are subject approval and availability.

Terms of Payment

Meter bag leases are paid in advance upon contract execution, in advance of use for the period of time which is being requested. For extended meter bag leases of more than thirty (30) days, a minimum payment of one month is required. For any unpaid or delinquent account, a \$20 late fee will be assessed per month for each meter bag reserved. Any account not meeting the terms and conditions may be cancelled immediately. The firm/person hereby accepts responsibility for any cost associated with the collection of this debt and outstanding fees. Payment can be made in person at the Maynard St. garage office, or by phone using an accepted credit card. Parking rates may be changed by issuing not less than seven days advance written notice.

Cancellation

Republic Parking System may terminate this agreement and take immediate possession of space without liability or notice for failure to comply with payment terms, improper use or compliance with the program requirements, or as required due to changes in facility operation. Authorized party may terminate this agreement, by issuing written notice of change to Republic Parking. Refunds may be processed after review of the account status and issued on a prorated basis in conjunction with the date of termination. All meter bag cancellation requests must be submitted in writing prior to 3pm on the weekday before the meter bag contract start date. All cancellations will incur a \$10 service fee per space cancelled. Services fees will deducted from any refund amount due. Cancellation requests submitted after the 3pm deadline on the weekday prior to the meter bag contract start date will not eligible for any refund consideration.

IMPORTANT NOTICE—EXCLUSION OF LIABILITY: The authorized company has permission to use only the designated space(s) issued on this agreement and assumes all risk of loss or damage to property/contents resulting from theft, vandalism, fire, personal injury, flood, other "acts of God," including death, which is attributable to the negligence/unlawful conduct of a third party, or any other causes whether or not under the control of Republic Parking Systems, the Ann Arbor Downtown Development Authority, or the City of Ann Arbor.

DDA Meter Bag Issuing Guidelines

Statement:

Downtown vitality is dependent on the availability of convenient hourly parking spaces, and for this reason the DDA discourages the use of meter bags except when absolutely necessary. The provision of meter bags will be provided in support of those activities that complement the DDA's mission to strengthen the downtown and attract new private investment.

Special event meter bag criteria:

1. The event will draw significant numbers of people to, or will significantly enhance the downtown economically.
2. The space will be used for an operational motor vehicle or the space is located within an area covered by a special event or street closure permit from the City of Ann Arbor Building Department.
3. The meters occupied should be the closest to the premises where the work is being performed.
4. The DDA, through its contractor, reserves the right in its sole and absolute discretion to make the final determination of which the meters will be rented in any situation.

NOTICE TO APPLICANTS FOR SPECIAL EVENT PERMITS

In April 2002, the Ann Arbor City Council transferred control of all parking operations in the downtown area to the Downtown Development Authority (DDA). As part of this agreement, operations of parking meters are now under the jurisdiction of the DDA and its parking operator, Republic Parking.

In the past, requests for use of meter bags and the waiving of fees were handled through the permit review process and by council resolution. **As a result of this transfer of authority, City Council no longer has the ability to waive the cost of meter bags fees for special events.**

If you are requesting use of meter bags for your special event, please complete the attached form and return it to:

**Downtown Development Authority
150 S Fifth Avenue, Suite 30
Ann Arbor, MI 48104
Fax: (734) 997-1491**

Also note that fee waiver requests should be submitted at least 90 days in advance of the event.
