

QUESTIONS ABOUT LICENSING

WHY GET A DOG LICENSE?

Michigan law requires all dogs over the age of six months to be licensed. Plus, licensing protects the public by requiring rabies vaccinations. A dog license can also help reunite owners with their dog should they ever get lost.

WHICH LICENSE SHOULD I GET?

Dog licenses are sold in accordance with the provisions of the Dog Law of 1919 as amended. Public Act 339 as amended, MCL 287.261-290, the Dog Law of 1919, option (f) of section 6(c) states:

• That the owner apply for a license by one of the following at the owner's option:

- * The last day of the month of the dog's current rabies vaccination every year.
- * The last day of the month of the dog's current rabies vaccination every third year.

All dogs over six months of age must be vaccinated against rabies before a license can be issued. The vaccinations must remain current in order for owners to obtain annual dog licenses.

WHAT IS THE COST?

The following dog licensing fees were established effective Nov. 1, 2014 by Council Resolution 14-1412:

- \$6 for up to one year (\$12 for unaltered dogs)
- \$15 for up to three years (\$30 for unaltered dogs)

Service Dog - No charge with proper documentation.
