 - Josh Penn: Recently re-located here from Chapel Hill, North Carolina. I have earned my masters in City and regional planning at UNC. Just relocated here for my wife to enroll in the Masters of Public Health program here at U of M. Looking for ways to get plugged in and put my skill set to good use. Met with Scott back in March, but this was the first meeting that I was here for. Would love to talk to any and all of you, afterwards if you have time, if you have any ideas about where I should look. Thanks.
