I. QUESTIONS AND RESPONSES

The following Questions have been received by the City. Responses are being provided in accordance with the terms of the RFP. Respondents are directed to take note in its review of the documents of the following questions and City responses as they affect work or details in other areas not specifically referenced here.

Question 1: What additional power capacity is available with the current generator?

Response 1: The City is going to take care of all power needs.

Question 2: How much space is available in the existing rack?

Response 2: There at least 20 rack U's available. If needed we would add a new rack.

Question 3: Other than management from the control room workstations is there a desire for control from a tablet device?

Response 3: It would be best to bid with either option.

Respondents are responsible for any conclusions that they may draw from the information contained in the Addendum.
