CITY OF ANN ARBOR, MICHIGAN POSITION DESCRIPTION

POSITION TITLE: Chief of Police

Job Number: 403710

Department
Police

Accountable To
City Administrator

Mission Statement

The City of Ann Arbor's mission is to deliver exceptional services that sustain and enhance a vibrant, safe and diverse community.

The Environment

Aside from the 124,000 local residents there are approximately 80,000 people who commute into the city each day for work. It is also the home of the University of Michigan whose main campus extends to the downtown/central business district border. They have over 50,000 students spread across multiple campuses all within the city limits being served by their own police department. Football game Saturdays involve 117,000 people packed into The Big House necessitating an all hands-on deck public safety response. Ann Arbor completely embraces its reputation as a progressive city. Presently all 11 municipal office holders have the same political affiliation.

Transparency, responsive communication, community engagement, and respecting the value of DEI are must have traits for the next police chief. The City of Ann Arbor established a City Council appointed police oversight commission in 2018 known as ICPOC (Independent Community Police Oversight Commission). Data is shared with them regarding every resident complaint. The City of Ann Arbor is currently working through a process to create an Unarmed Response (UR) program that would be a completely separate alternative to making traditional 9-1-1 calls for service. The City is launching a Deflection Program focused on helping people remain out of the judicial system. The Department is working through staffing shortages. Having a medium sized city organization means that our executives must manage the balance between leading and rolling up our sleeves.

The next Chief needs to be completely at ease within an environment like the one described here.
