RESOLUTION 22-2 AAAHC

Resolution to Approve the Ann Arbor Affordable Housing Corporation Audited Financial Statement for the Fiscal Year Ending June 30, 2021 (FY21)

The Ann Arbor Affordable Housing Corporation (AAAHC), is a 501c3 that was created to acquire Lurie Terrace as a single-asset entity. As a HUD-insured property, an Annual Financial Statement and Auditor's Report is required in addition to the Form 990 tax return. The primary source of revenue is rental income and the primary expenditure is property management and maintenance.

The property was acquired in March 2021 and therefore this is the first audited financial statement for the AAAHC and covers March – June 2021.

The auditors did find a significant deficiency related to the financial statements but no material weakness in internal controls. The Finance Director developed and submitted a corrective action plan to prevent a similar significant deficiency in the future. The deficiency was related to invoices posted to the incorrect period/fiscal year. The auditors did not identify any incidents of non-compliance related to Federal Awards.

WHEREAS, the Ann Arbor Affordable Housing Corporation contracted with Boge, Wybenga and Bradley, P.C. Certified Public Accounting firm ("outside auditor") to conduct the Ann Arbor Affordable Housing Corporation audited financial statement for year-end June 30, 2021 (FY21); and

RESOLVED, that the Ann Arbor Affordable Housing Corporation Board approves the audited financial statement for the year ending June 30, 2021 (FY21) attached hereto.

To the Board of Directors Ann Arbor Affordable Housing Corporation Ann Arbor, MI

We have audited the financial statements of Ann Arbor Affordable Housing Corporation for the year ended June 30, 2021, and we will issue our report thereon dated March 25, 2022. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards (and, if applicable, Government Auditing Standards and the Uniform Guidance), as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 21, 2021. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Ann Arbor Affordable Housing Corporation are described in Note A to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the useful lives of capital assets is based on their experience with useful lives of similar assets. We evaluated the key factors and assumptions used to develop the useful lives of capital assets in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated March 25, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Board of Directors and The Ann Arbor Housing Commission and, if appropriate, management of Ann Arbor Affordable Housing Corporation and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Boge, Wybenga & Bradley, P.C.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Ann Arbor Affordable Housing Corporation Ann Arbor, MI

Report on the Financial Statements

We have audited the accompanying financial statements of Ann Arbor Affordable Housing Corporation (a nonprofit corporation), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities and cash flows for the period March 1, 2021 to June 30, 2021, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ann Arbor Affordable Housing Corporation as of June 30, 2021, and the changes in its net assets and its cash flows for the period March 1, 2021 to June 30, 2021, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information, as identified in the table of contents, is presented for purposes of additional analysis as required by the Consolidated Audit Guide for Audits of HUD Programs issued by the U.S. Department of Housing and Urban Development, Office Inspector General, and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 25, 2022, on our consideration of Ann Arbor Affordable Housing Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Ann Arbor Affordable Housing Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Ann Arbor Affordable Housing Corporation's internal control over financial reporting and compliance.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Ann Arbor Affordable Housing Organization ("the Organization") is presented to assist in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization's management, which is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. Accordingly, revenues are recognized when earned rather than received, and expenses are recognized when incurred rather than paid.

Nature of Business

The Organization is organized as a non-profit Organization under Section 501(c)(3) of the Internal Revenue Code. The Organization was formed on March 1, 2021 for the purpose of operating certain buildings and improvements located in Ann Arbor, Michigan. The property was financed in part with a mortgage insured under section 223(f) of the National Housing Act. The property consists of 136 units and operates as Lurie Terrace. The Organization's recorded Declaration of Restrictive Covenant ("the Declaration") requires it to provide affordable housing for seniors aged 62 and older, specifically allocating 40% of its units to tenants with household incomes at or below 60% of Area Median Income ("AMI") and 60% of its units to tenants with household incomes at or below 80% of AMI. The current tenants of Lurie Terrace at the time of the Organization's purchase were grandfathered in by the Declaration and are permitted to continue residing at the property.

Cash, Cash Equivalents and Restricted Cash

For purposes of the statement of cash flows, the Organization considers cash in operating bank accounts, cash on hand, replacement reserves, escrows and tenant deposits held in trust as cash, cash equivalents and restricted cash.

Amounts included in restricted cash represent those required to be set aside by a contractual agreement with the US Department of Housing and Urban Development ("HUD") and by the State of Michigan for the holding of tenant security deposits.

The following table provides a reconciliation of cash, cash equivalents and restricted cash reported within the balance sheet that sum to the total of the same such amounts shown in the statement of cash flows:

Operating cash	\$	112,201
Restricted cash - replacement reserve		863,026
Restricted cash - insurance escrow		26,834
Restricted cash - mortgage insurance premium escrow		4,754
Restricted cash - tenants' deposits held in trust		81,539
Restricted cash - other reserves		611,890
Total cash, cash equivalents and restricted cash	<u>\$ 1</u>	1,700,244

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Advertising Costs

The Organization expenses advertising costs as they are incurred. There was no advertising expense for the period March 1, 2021 to June 30, 2021.

Property and Equipment

Property and equipment are stated at cost and are depreciated over their estimated useful lives of 5 to 40 years using the straight-line method. Major renewals and betterments are capitalized while maintenance, repairs and minor renewals are expensed when incurred. Fixed assets are defined by the Organization as assets with an initial individual cost of more than \$5,000 and an estimated useful life in excess of one year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Accounts Receivable

The Organization charges bad debts to operations as accounts are determined to be uncollectible. No allowance for doubtful accounts has been recorded as it is management's opinion that all receivables will be collected. There was no bad debt expense for the period March 1, 2021 to June 30, 2021.

Impairment of Long-Lived Assets

In accordance with FASB ASC 360-10, the Organization reviews its rental property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recovered. If the fair value is less than the carrying amount of an asset, an impairment loss is recognized for the difference. No impairment loss has been recognized for the period March 1, 2021 to June 30, 2021.

Real Estate Taxes

The Organization is exempt from paying property taxes as determined by the City of Ann Arbor.

Recognition of Revenue

The Organization derives its revenue from short-term rental housing contracts with private customers. Due to the nature of the Organization's services related to leasing contracts (various tenant charges), the Organization typically accounts for its non-leasing components as a single performance obligation.

The Organization has elected to use the right to invoice practical expedient outlined by FASB ASC 606-10-55-18, under which the Organization recognizes revenue in the amount that it has the right to consideration from a customer that corresponds directly with the value of the Organization's performance completed to date. The Organization feels the services rendered at a point in time best exhibits the satisfaction of the Organization's performance obligations. Under the right to invoice expedient, the Organization recognizes revenue in the amount equal to the consideration it has a right to upon completion of its services. The Organization's contracts do not typically include variable considerations. See Note H for more information regarding revenue.

Costs of Obtaining Contracts with Customers

The Organization has elected to recognize incremental costs of obtaining contracts with customers as an expense when incurred as outlined by FASB ASC 340-40-25-4.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Organization is exempt from taxes under Section 501(c)(3) of the Internal Revenue Code.

NOTE B - RESTRICTED CASH

Replacement Reserve

The Organization is required to maintain a replacement reserve account to cover future replacement of assets and repairs. The replacement reserve is funded by monthly deposits in an amount determined by the regulatory agreement with HUD.

Security Deposits

Security deposits are deposited in a savings account. The balances of the account and the corresponding liability at June 30, 2021 were \$81,539. The security deposit account was adequately funded at June 30, 2021.

Funded Escrow Deposits

In accordance with the terms of the mortgage note, monthly deposits are made to the mortgagor to maintain escrow accounts for the payments of mortgage insurance and property insurance.

Other Reserves

In accordance with the terms of the escrow agreement for deferred repairs and debt service, money was withheld from the proceeds of the loan to fund a deferred repairs escrow and a debt service escrow. The deferred repairs escrow may only be used for repair work listed in the agreement. In addition to funding from the proceeds of the loan, \$17,217 of funding was deposited by the Organization. The deferred repairs escrow balance at June 30, 2021 was \$189,412. The debt service escrow may only be used for debt service shortfalls or cash deficits. The debt service escrow balance at June 30, 2021 was \$200,454.

In accordance with the terms of the escrow agreement for fire damage repairs, funding was provided at closing by the seller in the name of the Organization. The seller agreed to repair three units of Lurie Terrace that were damaged due to a fire prior to the sale of the property. Per the agreement, the seller is to use its funds to complete the repairs. At such time, the seller's contribution to the fire damage repairs escrow will be refunded to the seller less the amount of lost revenue for the time the three units were not able to be occupied. At June 30, 2021 the fire damage repairs escrow and fire repairs payable to the seller were \$222,024 and \$216,045, respectively. The lost revenue to be reimbursed by the seller for the period March 1, 2021 to June 30, 2021 was \$5,955.

NOTE C - OTHER ACCOUNTS RECEIVABLE

Other accounts receivable consisted of amounts owed to the Organization by the seller of Lurie Terrace for the reimbursement of operating expenses incurred prior to the Organization's purchase of Lurie Terrace. The balance at June 30, 2021 was \$14,710.

NOTE D - LONG-TERM LIABILITIES

NOTE E - RELATED PARTY TRANSACTIONS

Management Agreement

For the period March 1, 2021 to June 30, 2021, the Organization maintained a management agreement with the Ann Arbor Housing Commission. The Organization's accrued management fees at June 30, 2021 were \$4,955. Payments to the Ann Arbor Housing Commission for management services for the period March 1, 2021 to June 30, 2021 were \$11,306. Occasionally, the management agent charges some expenses not covered by the management fee to the Organization in accordance with the management agreement.

Employee Agreement

The Ann Arbor Housing Commission prescribes the number, qualifications and duties of the personnel to be employed at Lurie Terrace. The employees involved in the daily operations of the development are employees of the City of Ann Arbor and not of the Organization. The Organization's accrued payroll at June 30, 2021 and payments to the City of Ann Arbor for payroll services for the period March 1, 2021 to June 30, 2021, were \$36,710 and \$16,706, respectively.

NOTE F - CONCENTRATION OF CREDIT RISK

The Organization maintains cash balances at institutions with Federal Deposit Insurance Organization insurance limits of \$250,000 for checking and saving accounts. The Organization's uninsured cash balance at June 30, 2021 was \$1,256,504.

NOTE G – LITIGATION

The Organization is involved in various lawsuits during the normal course of business, in which most cases are landlord/tenant actions. The Organization, acting as plaintiff, seeks to recover possession of the premises and/or rental monies owed. Management believes that the outcome of these matters will be successful in nearly all cases.

NOTE H - REVENUE

Leasing Revenue

The Organization's leasing arrangements consist of short-term operating leases in the low-income housing and market based housing industries. The entirety of the Organization's fixed assets are utilized in the Organization's rental housing activities.

Revenue from Contracts with Customers

The following table disaggregates contract revenue by service, which the Organization believes best depicts how the nature, amount, timing, and uncertainty of its revenue and cash flows are affected by economic factors for the period March 1, 2021 to June 30, 2021:

Contract revenue by service	
Meal charges	\$ 29,353
Parking fees	9,833
Laundry and vending	 1,237
Total	\$ 40,423

Revenue from Contracts with Customers (continued)

Remaining performance obligations represent the transaction price of services yet to be rendered. Under the right to invoice practical expedient, the Organization need not disclose quantitative information regarding remaining performance obligations, as revenue is recognized in an amount directly corresponding with performance completed to date.

NOTE I – RISK VULNERABILITY

The Organization is exposed to various risks of loss related to theft of, damage to, and destruction of assets; errors and omissions; injuries to contracted employees and tenants; liabilities; and natural disasters. These risks are covered by insurance purchased from independent third parties. Settled claims for these risks have not exceeded insurance coverage.

The Organization's sole asset is Lurie Terrace apartments. The Organization's operations are concentrated in the multifamily real estate market. In addition, the Organization operates in a heavily-regulated environment. The operations of the Organization are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies, including but not limited to, HUD. INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors

Ann Arbor Affordable Housing Corporation

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standard's* issued by the Comptroller General of the United States, the financial statements of Ann Arbor Affordable Housing Corporation (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, change in net assets and cash flows for the period March 1, 2021 to June 30, 2021, and the related notes to the financial statements, and have issued our report thereon dated March 25, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Ann Arbor Affordable Housing Corporation's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Ann Arbor Affordable Housing Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of Ann Arbor Affordable Housing Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2021-01 that we consider to be a significant deficiency.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Ann Arbor Affordable Housing Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Ann Arbor Affordable Housing Corporation's Response to Findings

Ann Arbor Affordable Housing Corporation's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Ann Arbor Affordable Housing Corporation's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

Floge Wybenga & Bradley PC

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors

Ann Arbor Affordable Housing Corporation

Report on Compliance for the Major Federal Program

We have audited Ann Arbor Affordable Housing Corporation's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Ann Arbor Affordable Housing Corporation's major federal program for the period March 1, 2021 to June 30, 2021. Ann Arbor Affordable Housing Corporation's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Ann Arbor Affordable Housing Corporation's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Ann Arbor Affordable Housing Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Ann Arbor Affordable Housing Corporation's compliance.

Opinion on the Major Federal Program

In our opinion, Ann Arbor Affordable Housing Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on the major federal program for the period March 1, 2021 to June 30, 2021.

Report on Internal Control over Compliance

Management of Ann Arbor Affordable Housing Corporation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Ann Arbor Affordable Housing Corporation's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Ann Arbor Affordable Housing Corporation's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Ann Arbor Affordable Housing Corporation is responsible for the accuracy and completeness of the electronic submission.

Ann Arbor Affordable Housing Corporation has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose to determine whether the electronic submission of certain information agrees with the related hard copy documents within the audit reporting package. Additionally, the U.S. Department of Housing and Urban Development Real Estate Assessment Center (REAC) has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

We compared the electronic submission of the items listed in the "UFRS Rule Information" column with the corresponding printed documents listed in the "Hard Copy Documents" column. The associated findings from the performance of our agreed-upon procedure indicate agreement or non-agreement of the electronically submitted information and hard copy documents as shown in the attached chart.

We were engaged by Ann Arbor Affordable Housing Corporation to perform this agreed-upon procedure engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in Government Auditing Standards issued by the Comptroller General of the United States. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on whether the electronic submission of the items listed in the "UFRS Rule Information" column agrees with the related hard copy documents within the audit reporting package. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of Ann Arbor Affordable Housing Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

We were engaged to perform an audit in accordance with the *OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (OMB Uniform Guidance)*, by Ann Arbor Affordable Housing Corporation as of June 30, 2021 and for the period March 1, 2021 to June 30, 2021, and have issued our reports thereon dated March 25, 2022. The information in the "Hard Copy Documents" column was included within the scope or was a by-product of that audit. Further, our opinion on the fair presentation of the supplementary information dated March 25, 2022, was expressed in relation to the basic financial statements of Ann Arbor Affordable Housing Corporation taken as a whole.

A copy of the reporting package required by the OMB Uniform Guidance, which includes the auditor's reports, is available in its entirety from Ann Arbor Affordable Housing Corporation. We have not performed any additional auditing procedures since the date of the aforementioned audit reports. Further, we take no responsibility for the security of the information transmitted electronically to the U.S. Department of Housing and Urban Development, REAC.

The purpose of this report on applying the agreed-upon procedures is solely to describe the procedure performed on the electronic submission of the items listed in the "UFRS Rule Information" column and the associated findings, and not to provide an opinion or conclusion.
