

Administrator's Report

The city's mission is to deliver exceptional services that sustain and enhance a vibrant, safe and diverse community.

City Administrator's Report July 15, 2024 prepared for City Council. Kindly forward questions, comments, or suggestions for input to mdohoney@a2gov.org, ifournier@a2gov.org, or shiqqins@a2gov.org.

SAFETY NOTES

Safety Update July is Vehicle Theft Prevention Month. The campaign is led by the National Highway Traffic Safety Administration (NHTSA). The goal of the campaign is to promote awareness of measures drivers can take to reduce and deter vehicle theft. More than 1 million drivers fall victims to this crime each year in the United States. Summer is the high season for vehicle theft. To learn more about ways to protect your vehicle from theft and actions to take if you are a victim of vehicle theft, please visit the [NHTSA website](#). For helpful information on basic mitigation techniques regarding electric vehicle hack protection, please visit [this website](#). A2 Be Safe!

Thank you for making A2 Be Safe!

BICENTENNIAL NEWS

Happy Birthday Ann Arbor! Bicentennial (1824-2024). A bicentennial events calendar is available via <https://a2bicentennial.org/events>. Join our year-long celebration to honor Ann Arbor's bicentennial. There are many planned events scheduled to celebrate this historical (2024) milestone, many of which will be fun, educational, unifying and inclusive.

Current Bicentennial Celebration planning progress and opportunities for community involvement are available via www.a2gov.org/a200.

Learn more about more [projects underway and in need of community support](#) — new features to Bicentennial Park (formerly Southeast Area Park); a statue honoring Kathy Kozachenko, the first openly gay person elected to political office (Ann Arbor City Council) in the United States; and restoration of the James L. Crawford Elks Lodge, the fraternal organization founded in 1899 by Black men denied entry into existing fraternal groups.

You can find additional event and bicentennial information at www.a2bicentennial.org. Would you like to collaborate with A2 Bicentennial on your event or do you have an event to add to the calendar? Please email info@a2bicentennial.org.

SUSTAINABILITY & INNOVATIONS

Sustainability & Innovations Corner. Catch up on the latest from the Ann Arbor Office of Sustainability and Innovations (OSI). For more information, including registration links, visit [OSI online](#).

- **Home Energy Rebates:** The City is pleased to provide a series of rebates to help advance sustainability, and our A2ZERO goals. This \$1.9 million community investment program is expected to offer over 1,300

sustainability-related rebates to residents across the city. At least 50% of the rebates will be for income qualified households. Please note that rebates will apply only to projects and purchases completed on or after July 1, 2024. More details available at osi.a2gov.org/rebates. Those needing direct assistance applying for a rebate or unable to utilize this website, should email A2ZEROREbates@michiganenergyoptions.org or call (734) 726-4747.

- Join us for a special webinar on Tuesday, July 16 at 6pm to learn more about Ann Arbor’s proposed **Sustainable Energy Utility**, an optional, supplemental community-owned energy utility that would provide 100% renewable energy from local solar and battery storage systems and networked geothermal at participating homes and business in the City. This virtual event presents an opportunity to learn more about the proposed SEU, discover what benefits the SEU could provide, ask questions, and find out what voters will be asked to consider on November 5, 2024. This event is free but registration is required (https://a2gov.zoom.us/webinar/register/WN_2jWrGMgXTFqFqvdaNsQA). A second webinar will also be hosted on Wednesday, August 21st. Residents can register for this webinar at: https://a2gov.zoom.us/webinar/register/WN_6YLSYCwjQ8aNNIJdhQ6QPQ.
- On Friday, August 2nd the Office of Sustainability and Innovations will be hosting our **3rd Annual Home Electrification Expo** at the Farmer’s Market from 5-8pm. Come hear from experts, manufacturers and contractors about all things energy efficiency and electrification. There will be food trucks, a live band, and prize drawings, including a brand-new heat pump water heater with installation, free all-electric lawn care services, and more. RSVP here to receive updates about the event: <https://www.eventbrite.com/e/a2zero-home-electrification-expo-tickets-858830975567?aff=oddtcreator>
- OSI is delighted to announce the launch of the **A²ZERO Home Energy Advisor**. The A²ZERO HEA will provide residents a free home energy assessment, custom decarbonization plans, assistance with project planning and contractor connections, and information about applicable rebates and incentives. Due to high demand, the program is accepting applications to a waitlist. Learn more at www.a2zerohea.org.
- **New State bill enables sustainability activities at HOAs!** The Michigan legislature passed and Governor Whitmer has signed new legislation that prohibits Homeowners Associations (HOAs) from limiting access to on-site solar as well as heat pumps, clotheslines and other energy efficiency measures. OSI has published a model energy policy template for HOAs (accessible at: <https://www.a2gov.org/departments/sustainability/Sustainability-Me/Families-Individuals/Documents/Model%20HOA%20Energy%20Policy%20Statement.pdf>), and residents living in HOAs who would like to learn more about how the Solarize (www.a2gov.org/solar) program might help their communities can contact Connor Dailey at cdailey@a2gov.org.
- **Congratulations to TheRide!** TheRide was recently granted \$25 Million to fund zero-emissions buses and a refueling station. Congratulations to TheRide and to all that helped make this award happen!
- **Clean Cruise** | Saturday, August 3, 11AM – 3PM | E. 9 Mile Road between Woodward and Leland, MI. The inaugural “CLEAN CRUISE” is a milestone event that will showcase the future of sustainable transportation. The event will feature a range of electric vehicles from various manufacturers, demonstrating the diversity and advancement of EV technology. Alongside the showcase of electric vehicles, there will be presentations and discussions highlighting the environmental, economical and health benefits of transitioning to electric transportation, such as reducing greenhouse gas emissions and improving air quality. All EV owners are invited to “cruise” around Woodward on the day of the event. Learn more at: <https://www.michiganeva.org/clean-cruise/>.
- **Cinema and Sustainability Series – Cooked: Survival by zip code** | Wednesday, August 14, 7:30 PM | Michigan Theater. Join us for the second event in the 2024 Cinema and Sustainability Series at the

Michigan Theater! This event will include the screening of *Cooked: Survival by Zip Code* and a short post-screening discussion about the film's topics (additional post-screening talk details coming soon). Tickets are available through the Michigan Theater event page linked at: <https://marquee-arts.org/event-page/?showingId=870528&eventId=870527>.

- **Save the Date: A²ZERO GREEN FAIR** | Friday, September 20, 2024 | Main Street, Ann Arbor. Green Fair is coming back to downtown Ann Arbor this fall! This annual event highlights the incredible community of stakeholders working to achieve our shared vision of a just transition to community-wide carbon neutrality by 2030. If your organization is interested in tabling at Green Fair, applications are now open at a2gov.org/greenfair.
- **Sustaining Ann Arbor Together Grants.** As a reminder, the Office of Sustainability and Innovations operates a grant program to help advance community sustainability-related projects. Grantees can receive up to \$10,000 in funding to implement a project that aligns with our A²ZERO plan. If you are interested in joining our team in reviewing the applications, please contact Missy Stults at mstults@a2gov.org. For more information, visit www.a2gov.org/sa2t.
- **Check out Green Light:** A new series from CTN and OSI that digs into sustainability in Ann Arbor with the residents who are envisioning, creating, and establishing a sustainable and equitable future for our community. Check out the first four episodes at <https://www.youtube.com/playlist?list=PLw6eY79a9rp8VTqYvxRst5C0qs8U7dwXE>
- **Summary of Public Comments on Municipalization Study.** Thank you to everyone that contributed comments regarding a Phase II study of traditional municipalization. This study will focus on providing residents with a detailed cost to acquire DTE's electric infrastructure and replace DTE as the electric utility for Ann Arbor. To help shape this Phase II Study, the City conducted a public input session over the month of June 2024. Nearly 230 individuals or organizational representatives shared their thoughts about what they hope the study includes as well as what additional information they need to make an informed decision about the City's next steps. A summary of the public input received is now posted on the City's 100% renewable energy pathways website, accessible at: <https://www.a2gov.org/departments/sustainability/Adaptation-Resilience/Pages/Renewable-Energy-Pathways.aspx>. Input from the public is being integrated into ongoing work the City is undertaking to shape this request for proposals. To learn more, see the above website.
- **Subscribe to the OSI Newsletter.** If you haven't already, please subscribe to monthly, detailed newsletter highlighting some of the sustainability-related activities unfolding in the community. If you aren't already, please subscribe at: https://service.govdelivery.com/accounts/MIANNA/subscriber/new?topic_id=MIANNA_146

Prepare for Upcoming Elections. The next election in Ann Arbor is the State Primary Aug. 6. And the time is now to make sure you're prepared. Check your voter registration status, and if you're not already, [register to vote online](#) through the Michigan Voter Information Center. (PRO TIP: Students attending college in Ann Arbor in the fall can check this off their to-do lists now!) City residents can also submit a voter registration form by mail, email, fax or in-person at the Ann Arbor City Clerk's office.

It's also the time to enroll in the automatic ballot mailing list to have a ballot mailed to you for upcoming elections. Ballots for the Aug. 6 election were mailed starting June 27.

Visit www.a2gov.org/elections for all the details!

Ann Arbor Parks & Recreation Millage to Appear on Nov. 5 General Election Ballot. The City of Ann Arbor is known for sprawling natural areas, parks bustling with activity and recreation facilities offering diverse programs and amenities suited for all. Later this year, Ann Arbor voters will decide whether to continue to support the principal funding source for park system capital improvements, repairs and restoration programs as the 20-year Park Maintenance and Capital Improvements Millage is set to appear on the Nov. 5 General Election ballot. Ann Arbor City Council approved the ballot question at their June 3 meeting.

The current, six-year Park Maintenance and Capital Improvements Millage expires this year, and the new millage would continue to sustain the parks system 2025 through 2044. More information is available via <https://www.a2gov.org/news/pages/article.aspx?i=1069>

Natural Area Preservation Events. City of Ann Arbor Natural Area Preservation (NAP) works to protect and restore Ann Arbor’s natural areas and to foster an environmental ethic within the community. This involves conducting plant and animal inventories, ecological monitoring, and stewardship projects in Ann Arbor’s parks. These tasks are performed by both staff and volunteers. NAP also offers environmental education and enrichment activities for kindergarten- fifth-grade students (K-5), seniors and the general public. NAP is sharing events planned for August 2024. To attend an event, participants are encouraged to preregister using VolunteerHub at <https://cityofannarbor.volunteerhub.com/lp/nap>; registration links to each event in VolunteerHub are also provided with each description.
