

## Citizens Advisory Committee – Meeting #2

Ann Arbor City Hall, Council Chambers  
8:30 – 10:30 a.m.  
September 14, 2016

---

**Meeting Purpose:** Present preliminary ideas and typologies for greenway facility designs, review case study examples, and review conceptual route options. Citizen Advisory Committee (CAC) members will be asked to complete a brief feedback activity following the meeting to be completed within a one-week timeframe.

### Agenda

- 1. Introductions & Project Updates** 8:30 – 8:35 a.m.
  - Project team, CAC members
  - Review schedule and recent activities
  - Review plan direction
  
- 2. Route Development Approach** 8:35 – 9:20 a.m.
  - Project examples and precedent ideas
  - Review "typology" approach used for identifying the range of possible site conditions and potential design responses.
  - Review and discuss design typologies using conceptual cross-sections
  - Review other potential features and design responses that might be incorporated
  
- 3. Conceptual Routes** 9:20 – 10:05 a.m.
  - Route identification process
  - Present conceptual route options
  - Discussion and feedback of route concepts
  
- 4. Evaluation Criteria** 10:05 – 10:15 a.m.
  - Present preliminary list of evaluation criteria. Evaluation criteria will be used to help identify preferred route options.
  
- 5. Next steps** 10:15 – 10:20 a.m.
  - CAC "homework" assignment – deadline: September 21, 2016.
  - Citizens Advisory Committee Meeting #3 (January 11, 2017, 8:30-10:30 a.m., City Hall, Council Chambers)
  - Project Management Team to begin further, technical assessment of route feasibility.
  - On-going stakeholder meetings over the next few months
  
- 6. Public Commentary (3 minutes/speaker)** 10:20 – 10:30 a.m.
