SAFETY NOTES

Safety Update As we progress deeper into the winter months it is important to remind property owners and residents of the City's ordinance requiring removal of accumulations of snow and ice from adjacent sidewalks, crosswalk ramps and concrete bus stops. The City's ordinance is intended to increase public safety and to allow for safe passage on sidewalks and access for people of all ages and abilities.

According to the ordinance, for residential properties, within 24-hours, accumulations of snow greater than 1 inch must be cleared and any accumulation of ice should be treated with sand, salt or other substance to prevent slip hazards within 18 hours. For non-residential properties, all snow and ice which has accumulated prior to 6 a.m. on a sidewalk adjacent to property shall be removed by the owner or occupant by noon the same day. Crosswalk ramps and bus stops with concrete pads are included in both requirements.

To assist residential property owners with the treating ice, the city provides a free sand/salt mixture at the following locations:

- Veterans Memorial Park
- Gallup Park
- Almendinger Park
- Burh Park
- Burns Park
- Leslie Park

A map of sand/salt pick up locations can be found [here](#).

To report a problem residents may use the A2 Fixit website, call (734.794.6942) or email Community Standards (communitystandards@a2gov.org)

Have a safe, healthy and joyful holiday season. ***Thank you for making A2 Be Safe!***

Happy Birthday Ann Arbor! Bicentennial (1824-2024)

A200 Thanks from City Administrator

Thank you to everyone who joined us to celebrate Ann Arbor's 200th birthday at the A200 Bicentennial Closing Celebration Dec. 14! Your presence and support helped make the event a resounding success — a truly fitting and memorable way to honor our city's incredible milestone.

The evening brought our community together with entertainment, refreshments and meaningful reflections on the bicentennial activities and commemorative initiatives that have defined this special year. It was heartwarming to see our shared pride in Ann Arbor's past, present and future.

We're also grateful for the ticket proceeds, which will support the impactful Ann Arbor Legacy Projects, ensuring a lasting benefit for our community. Special thanks to our event sponsors — the City of Ann Arbor, DTE, Bank of Ann Arbor and Michigan Schools and Government Credit Union — for their partnership in making this celebration possible.

Thank you once again for making this celebration such a remarkable success. Here's to Ann Arbor's bright future!

-- Milton Dohoney Jr., Ann Arbor City Administrator

- **Calling all Food Lovers and Home Cooks:** Contribute to the A²ZERO Community Cookbook! OSI is compiling a community cookbook! Do you enjoy cooking from scratch with local, seasonal ingredients, have creative ways of using up food scraps, or have a tasty plant-based recipe you love? Contribute recipes and sustainable food tips to the A²ZERO Community Cookbook at osi.a2gov.org/cookbook.
- **GET TO KNOW THE SUSTAINABLE ENERGY UTILITY:** Ann Arborites voted to authorize creation of the Ann Arbor Sustainable Energy Utility. Over the next 18 months the staff will be working to set-up the infrastructure, governance systems, bylaws, and policies that will support the new utility to ensure its successful launch. To stay up to date with work unfolding regarding the SEU, to sign up for the SEU waitlist, or to learn about upcoming public engagement events, please see: www.a2gov.org/a2seu.
- **A²ZERO Rebates Still Available:** Thanks to incredible work of our IT department, we are pleased to announce the release of a new dashboard tracking how many home energy rebates have been distributed and are still available. In total, OSI anticipates distributing \$1.9 million in rebates, providing an estimated 1,300 sustainability-related rebates to residents across the city. At least 50% of the rebates will be for income qualified households. Please note that rebates will apply only to projects and purchases completed on or after July 1, 2024. More details, including our new dashboard, are available at osi.a2gov.org/rebates.
- The **A²ZERO Home Energy Advisor program** is now open for all Ann Arbor residents! The wait list has been addressed, and the portal is open. Sign up for your free home assessment, and individualized decarbonization plan for your home. Bring all your questions – upstairs is hot? bills are high? water heater needs replacing soon?
