

# Administrator's Report

The city's mission is to deliver exceptional services that sustain and enhance a vibrant, safe and diverse community.

**City Administrator's Report January 21, 2025** prepared for City Council. Kindly forward questions, comments, or suggestions for input to [mdohoney@a2gov.org](mailto:mdohoney@a2gov.org), [mpraschan@a2gov.org](mailto:mpraschan@a2gov.org), or [shiqqins@a2gov.org](mailto:shiqqins@a2gov.org).

## SAFETY NOTES

**Safety Update** January is National Radon Month, sponsored by the US EPA. Radon is a naturally occurring radioactive gas that can enter homes through cracks in floors and walls, construction joints, and service pipe gaps. It is the second leading cause of lung cancer after cigarette smoking. If you have not tested your home for radon, now is a great time! The Washtenaw County Public Health Department offers discounted radon testing kits in January. Please visit their [website](#) for more information. **Thank you for making A2 Be Safe!**

The City of Ann Arbor has solutions for both! The city is helping residents prepare for winter weather, and the responsibilities that come with the ice and snow, with the launch of the 2024–25 [A2 Snow Match program](#). Residents can sign up now for this season's A2 Snow Match — either as a volunteer or a recipient — to be paired with a nearby neighbor to assist, or to be assisted, with sidewalk snow removal.

**Connect with City Staff and Officials at the 2025 Ann Arbor Community Academy.** The Ann Arbor Community Academy (A2CA) is returning for its eighth year to provide a closeup look at local government. The popular program, free and open to community members 18 years of age and older, will again be conducted with a hybrid approach. Weekly sessions will be held either online or in person, 6:30–8:30 p.m. Wednesdays throughout March and April. In-person tours will take place on select Tuesdays with a separate signup, and on a first-come basis. More information on the in-person tours will be provided after participants sign up. A2CA connects participants with city staff and officials to discover what goes into both long-term planning and day-to-day operations throughout Ann Arbor. [Registration is now open!](#) The deadline to register is Monday, Feb. 17, 2025. For details, visit [www.a2gov.org/A2CA](http://www.a2gov.org/A2CA).
