Ann Arbor Parks & Recreation and City of Ann Arbor Dog Park and Off- Leash Play Area Waiver and Release

Please read this form carefully and be aware that in consideration for permission to use these facilities, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your dog might sustain as a result of participating in any and all activities connected with and associated with use of these facilities and the surrounding areas.

I hereby acknowledge that I have voluntarily applied to participate and use with my dog(s) dog parks and off-leash play areas ("Parks") owned and operated either separately or jointly by the City of Ann Arbor and Washtenaw County in conjunction with its Parks & Recreation Department. I understand that the act of unleashing my dog and being physically present within the Parks necessarily involves risks of injury to me, persons that accompany me, other people using the Parks, my dog(s), and other dogs. I understand that the aforementioned risks are entirely my responsibility and I expressly assume that responsibility knowingly and voluntarily. When this Waiver and Release refers to "my dog", it includes me whether or not I am the legal owner of the dog, since I am the person responsible for the dog while using the Parks.

I understand that the permit/license system is not established to guarantee that dogs in the Parks are safe or healthy. I also understand that dog activities are intended to provide a fun and rewarding experience for a dog and its owner/handler. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including death, to the dog, its owner/handler or other persons or animals. I further understand that dogs, irrespective of their training and usual past behavior or characteristics, may act or react unpredictably at times based upon instinct or circumstances, and that not all hazards and dangers associated with dog activities can be foreseen. I agree to assume the risk of any injury to me, any individuals (including children) that accompany me in the Parks, and my dog(s). I understand that this risk may result from fierce, aggressive, vicious, and dangerous dogs which may be present in the Parks.

I further understand and assume the risk that not all dogs in the Parks may have been vaccinated for distemper, parvo, or rabies, all of which could result in injury to me, any individuals (including children) accompanying me, and my dog(s). I also understand that there are certain inherent risks including the propensity of a dog to behave in dangerous ways. Additional risks include, but are not limited to: the inexperience or irresponsibility of a dog owner/handler, the inability to predict a dog's reaction to sound, movement, objects, persons or other animals, dog fights, dog bites, and injuries to humans and other dogs; dog theft or unlawful capture; dog escape over or under fences; plants in the area that may be poisonous to dogs or people; mosquitoes, ticks, chiggers, fleas, or other insects may be present; and wild animals such as skunks, raccoons, opossums, or stray dogs that could be present in the Parks, all of which might injure or infect my dog(s), as well as slip and falls, premises defects, equipment failure, failure in instruction/supervision, as well as all other circumstances inherent to dog and/or outdoor activities. I knowingly and voluntarily accept responsibility for all of these risks in exchange for the privilege of using the Parks.

It is my understanding that no agents or employees of the City of Ann Arbor or Washtenaw County will supervise the Parks at any time and I therefore expressly assume responsibility for all risks associated with the Parks as well as fixtures and equipment that may be located there in an unsupervised manner.

By signing this Waiver and Release and using the Parks, I fully release and discharge the City of Ann Arbor, its Parks & Recreation Services Unit, Washtenaw County, and its Parks & Recreation Department, and their employees and agents as well as any private citizen volunteers serving as Parks stewards which have been sanctioned by either

the City or the County from any claims, demands, damages, rights of action, present or future, known or unknown, anticipated or unanticipated, resulting from, or arising out of, my use or intended use of the Parks. I fully and forever release and discharge the City of Ann Arbor, its Parks & Recreation Services Unit, Washtenaw County, its Parks & Recreation Department, and their employees and agents, as well as any sanctioned volunteers from any and all negligent acts or omissions with regard to the Parks and intend to be legally bound by this Release. I assume sole responsibility for, and agree to indemnify and save harmless the City of Ann Arbor, its Parks & Recreation Services Unit, Washtenaw County, its Parks & Recreation Department, and all of the employees, agents and volunteers of each for any damages from bodily injury, death, or damage or loss to property including legal and expert witness fees caused by the previously described parties.

I HAVE CAREFULLY READ THIS WAIVER AND RELEASE AND UNDERSTAND ITS CONTENTS. I HAVE ALSO RECEIVED A COPY OF THE DOG PARK AND OFF-LEASH PLAY AREA RULES AND REGULATIONS AND AGREE BY AFFIXING MY SIGNATURE BELOW TO COMPLY WITH THOSE RULES AND REGULATIONS AND TO INFORM OTHERS THAT I MAY BRING TO THESE PARKS (INCLUDING CHILDREN) OF THESE RULES AND WILL ENSURE THEIR COMPLIANCE WHILE USING THE PARKS. MY SIGNATURE CONFIRMS THAT I AM ALSO NOT AWARE OF ANY INCIDENTS IN WHICH MY DOG HAS SHOWN AGGRESSIVE, FIGHTING, OR BITING BEHAVIOR TOWARDS OTHER ANIMALS OR PEOPLE.

POP-UP DOG PARK FAQs

VETERANS MEMORIAL PARK FIELD #4

Why is the City of Ann Arbor piloting a pop-up dog park at [Veterans Memorial Park](#)?

Ann Arbor Parks & Recreation staff often receives requests for an additional dog park, particularly on the city's west side. This temporary dog park at Veterans Memorial Park serves as a pilot program, allowing us to assess both the location and community usage.

What is a pop-up dog park?

A pop-up dog park is a temporary, off-leash area for dogs. By running a pop-up dog park, city staff will be better equipped to understand the needs and impacts of this type of this location before developing a permanent site.

Why was Veterans Memorial Park Field #4 chosen?

Veterans Memorial Park Field #4 is well-suited for an enclosed off-leash dog park, as it already has much of the necessary fencing infrastructure in place. Additionally, its proximity to the park and nearby neighborhoods ensures convenient accessibility.

What are the hours of operation?

The temporary dog park will be open daily from dawn (6 a.m.) to 10 p.m. Lighting at Veterans Memorial Park Field #4 will extend usability during the winter months, with lights on from approximately 4:30-10 p.m. The park will operate from Friday, Nov. 15, through Sunday, April 20.

Why is the pilot being done in the winter months?

Veterans Memorial Park fields see minimal use during the winter, making this underutilized space an ideal choice for the first pilot location during the off-season.

How will staff evaluate the response to the pilot?

Staff plan to gather feedback in a variety of ways including:

- An online feedback survey (<https://url.a2gov.org/DogParkFeedback>)
- People counting sensor at the entrance gate
- Dog park permit data will be reviewed
- Onsite events will be hosted to gather in-person feedback

Do I need a dog park permit and how do I get it?

Yes, a dog park permit is needed for entrance. An annual off-leash dog permit is required for access to the designated off-leash areas. The permitting requirement enables the city to provide safe environments in off-leash dog play areas for users and their pets.

Temporary dog parks will be included on all dog park permits sold through the city. You can either apply online at stream.a2gov.org or visit the City of Ann Arbor Clerk's Office: Larcom City Hall, 301 E. Huron St., second floor weekdays from 8 a.m.-5 p.m. **Entrance to any pop-up dog parks are included with all purchased dog park permits.**

Why is a year-round permit required for a temporary dog park?

As this is a pilot program, we aim to make access as convenient as possible for dog owners while

ensuring a safe and enjoyable environment. Requiring permits helps us understand the level of demand and interest in the facility. Additionally, permit fees help offset the costs associated with maintaining the temporary dog park. The permit process ensures that dogs using the park meet health and safety standards by requiring current rabies vaccination certificates, dog licenses and a signed waiver and release form, in line with established rules for off-leash areas. **Please note that dogs must be licensed with the city, county, or a similar municipal jurisdiction to qualify for an off-leash permit.**

Do I need to clean up after my dog?

Yes. Waste receptacles will be provided onsite; however, we will not supply bags or scoops. There will be a box where dog owners can donate bags for other park users. Respectful behavior and adherence to clean-up expectations are essential to the success of this pilot. Responsible use of the space, including cleaning up after your pet, will help us evaluate the site effectively. Staff reserve the right to close the park temporarily if issues arise with cleanliness or conduct. You can also report maintenance issues online at www.a2gov.org/A2FixIt.

What will happen to the dog park at the end of the season?

At the season's close, staff will restore the field to accommodate baseball and softball use. We will also assess the program's success to guide decisions about future dog park locations and potential recurring use.
