Oct 2019 in Review | Ann Arbor Parks and Recreation

Happy Halloween!

We've had so much fun with everyone who volunteered with us this past October. Some of our most favorite events happen in October- the Trick or Treat Paddle, Farmers Market Halloween Party, and of course simply working with all the wonderful volunteers that dedicate their time to our parks system. The Trick or Treat Paddle 2019 turned out to be one of the most successful yet: over **100** volunteers got into character, contributing **350** community service hours, while passing out candy to over **1000** patrons enjoying the river!!

Adopt-A-Park: 2019 Review

Adopt-A-Park is a collaborative effort between Ann Arbor residents and city government to improve and maintain our parks. Neighbors and community groups volunteer their time to improve their chosen park. These adopters make such a difference in the care and maintenance of the parks and we would like to thank each and every one of you for another successful year! It is because of their hard-work, dedication, and ever-evolving ideas that make our park system unique.
