

# Hunt and Allmendinger Parks Tennis and Basketball Court Replacements

ITB: 4369

Due: Wednesday, March 11 at 10:30 a.m.

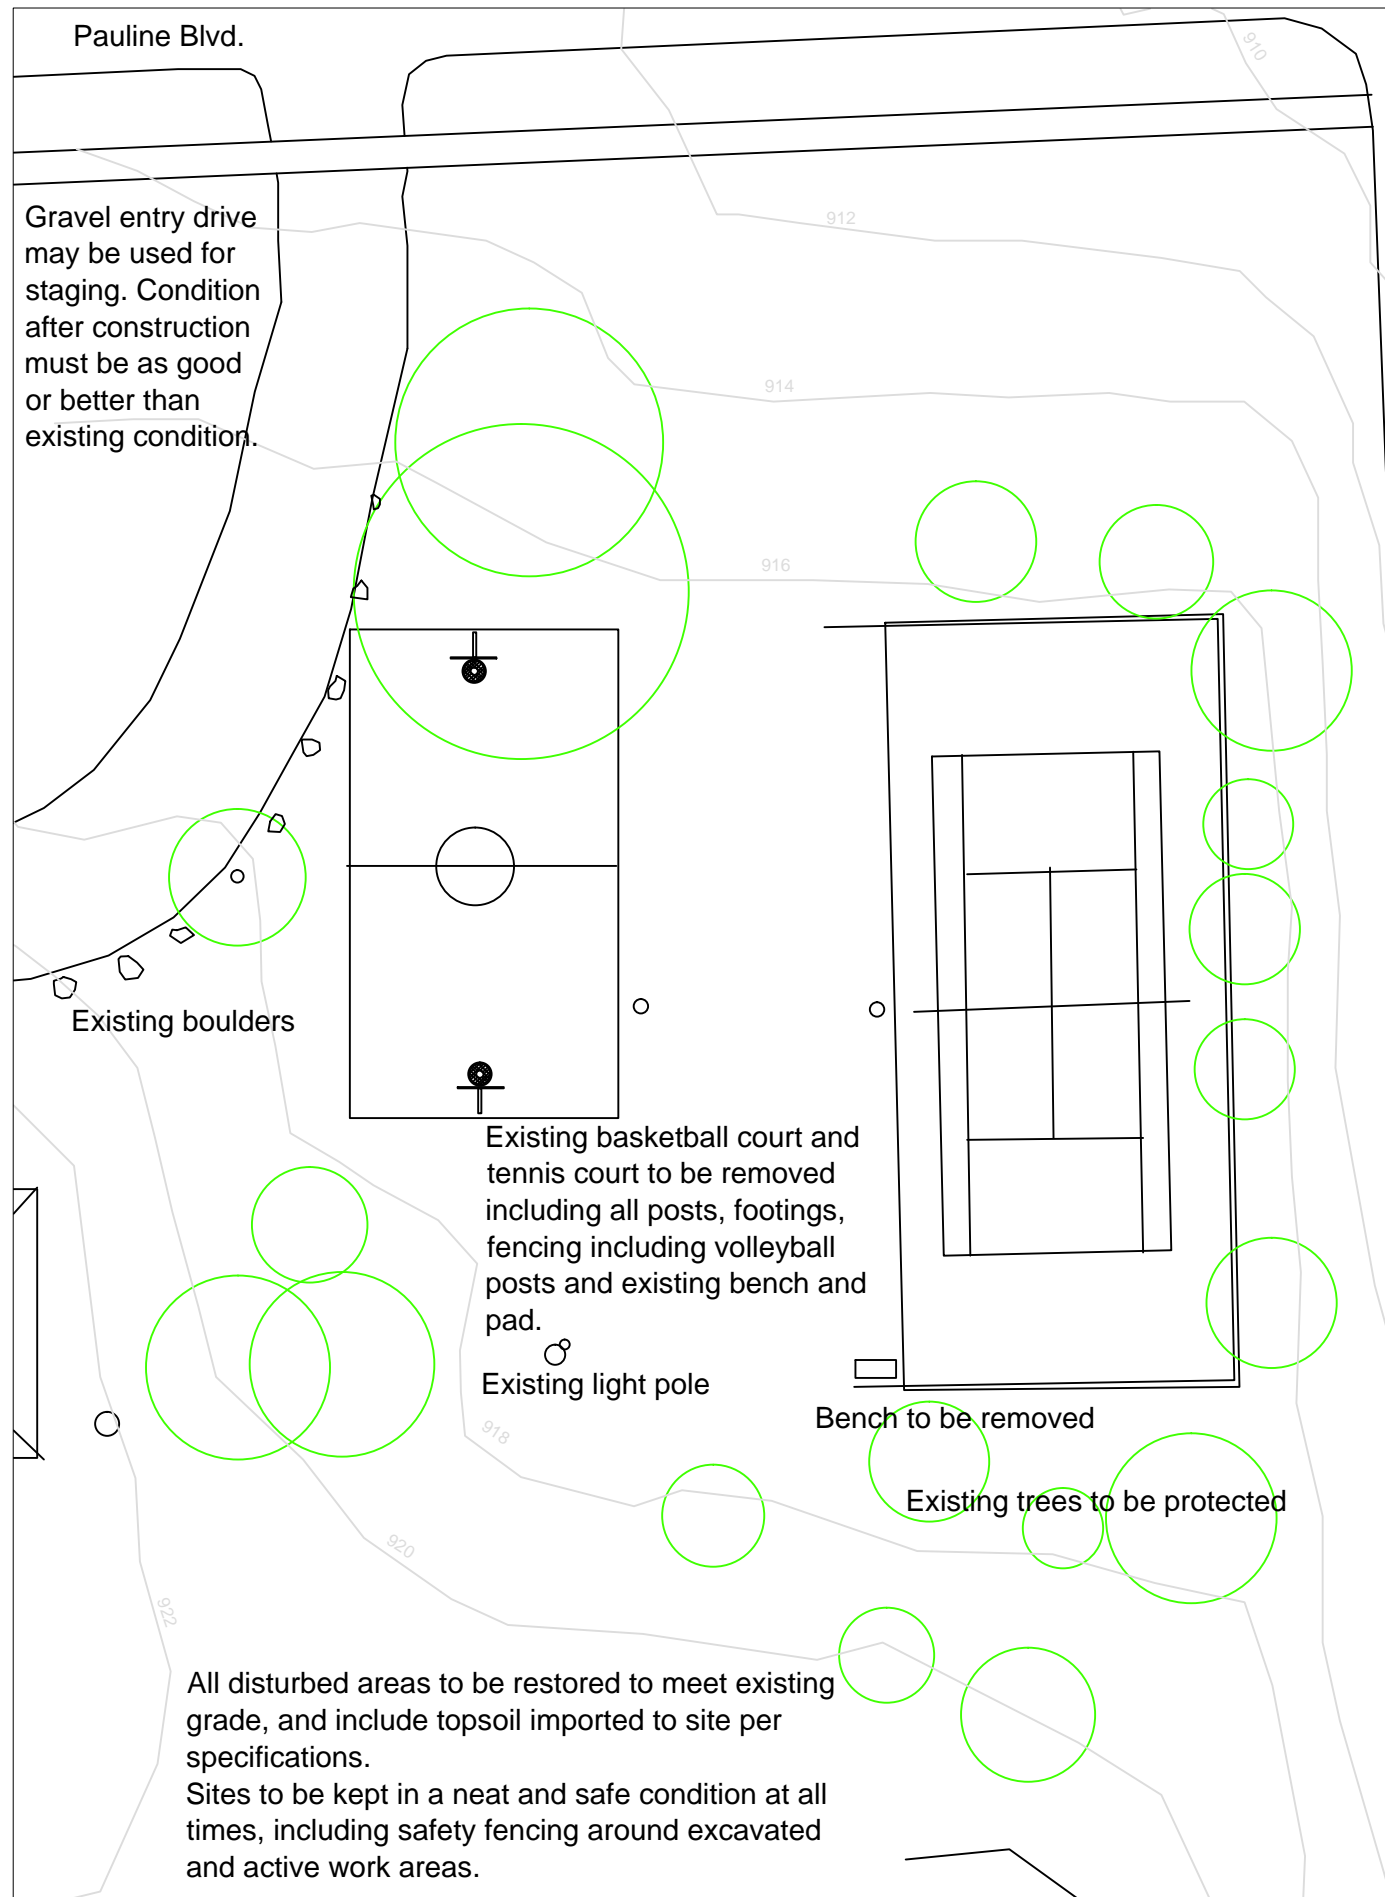

Hunt Park

Allmendinger Park

Gravel entry drive may be used for staging. Condition after construction must be as good or better than existing condition.

Existing boulders

Existing basketball court and tennis court to be removed including all posts, footings, fencing including volleyball posts and existing bench and pad.

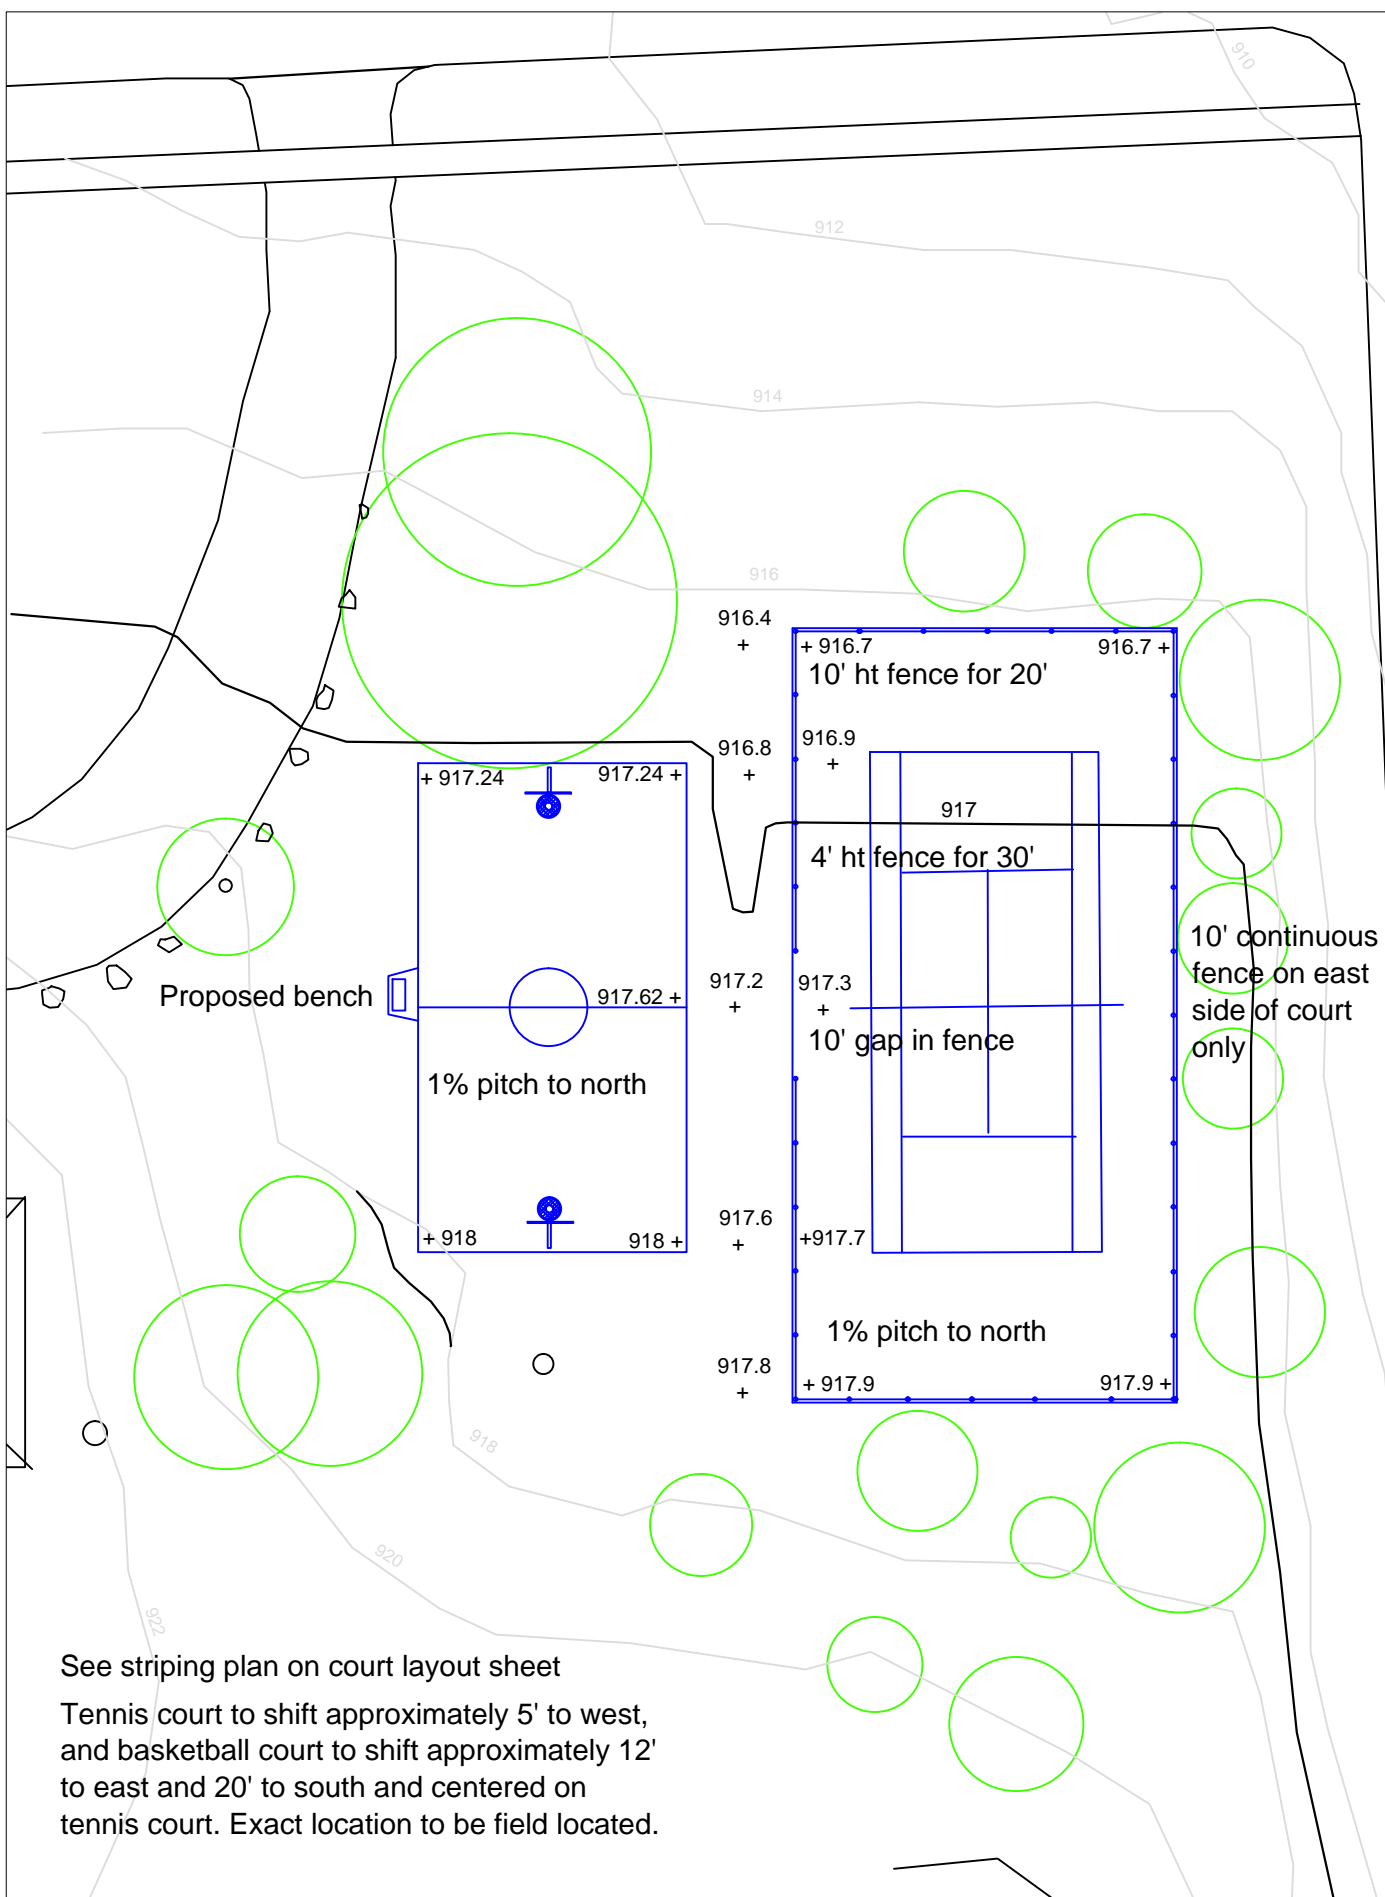

Existing light pole

Bench to be removed

Existing trees to be protected

All disturbed areas to be restored to meet existing grade, and include topsoil imported to site per specifications.  
 Sites to be kept in a neat and safe condition at all times, including safety fencing around excavated and active work areas.

Courts Existing Conditions

Proposed bench

+ 917.24 + 917.24 +

+ 918 + 918 +

1% pitch to north

+ 916.4 + 916.7 + 916.7 +

+ 916.8 + 916.9 + 916.9 +

+ 917.2 + 917.3 + 917.3 +

+ 917.6 + 917.7 + 917.7 +

+ 917.8 + 917.9 + 917.9 +

10' ht fence for 20'

4' ht fence for 30'

10' gap in fence

1% pitch to north

10' continuous fence on east side of court only
